It's time to leave the leadership obsession behind. It's never been about leading. "Leadership" has become a runaway obsession for those who are called to equip the body of Christ for service in the Kingdom of God. The concept of "followership" is all but lost in the wake of this leadership fetish, a near hypnotic obsession. Jesus' clear call, and the pattern of New Testament leadership, are actually found in a pattern of followership. We've been told otherwise but when it comes to a movement in our churches, our families, or the workplace, everything rises or falls on followership. Sweetproposes an intentional shift from leadership cults to followership cultures. He critiques the issue of leadership obsession but focuses onreigniting a passion for the "follow me" theme found throughout the gospels and the entire New Testament. Building on a set of metaphors/images, hestirs the imagination by showing what it means to be a follower of Christ and explainsthe vital cog that followership and the first follower play in helping others enter into the Kingdom of God. I Am A Follower moves readers: from leaders that are over to followers that are among from sages and gurus to scouts and guides from Saul's armor to David's sling from having the right answers to asking the right questions from architects to gardeners

Glen Stassen and David Gushee's Kingdom Ethics, originally published in 2003, is the leading Christian ethics textbook of the twenty-first century. Solidly rooted in Scripture -- especially Jesus's teachings in the Sermon on the Mount -- the book has offered many students, pastors, and other readers a comprehensive and challenging framework for Christian ethical thought. This substantially revised edition of Kingdom Ethics features enhanced and updated treatments of all major contemporary ethical issues. David Gushee's revisions include updated data and examples, a more global perspective, more gender-inclusive language, a clearer focus on methodology, discussion questions added to every chapter, and a sizable new glossary.

This eight-session LifeGuide Bible Study, Douglas Connelly looks at various metaphors for how we grow more spiritually mature in Christ, including running a race, carrying a cross, constructing a building, fighting a battle and more.

Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic Mere Christianity, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders Ô You might want to look at this further, Ô and to say to insiders Ô You may not have quite understood this bit clearly yet. Ô

A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching, it has largely faded from discussion in both the academy and the local church. To revive and reclaim this teaching for believers in the twenty-first century, editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship, providing a comprehensive, biblical picture. In addition, other contributors explore discipleship in the context of the local church, spiritual formation, and the life of the mind. Together, these essays point the way forward for becoming more like Jesus Christ, and helping others do the same, in our personal and corporate lives. "An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy. . . . Rich with insight, Following Jesus Christ represents a major advance in this essential area of study." --Craig A. Evans, Houston Baptist University "We are treated here to a survey of what discipleship means in the New Testament from experts in the field, and we also see some of the wider dimensions of discipleship in this important work. All those wanting to understand discipleship will find this to be a valuable resource." --Thomas R. Schreiner, The Southern Baptist Theological Seminary

Today's neurological research has placed habit at the center of human behavior; we are what we do repetitively. When we want to add something to our life, whether it's exercise, prayer, or just getting up earlier in the morning, we know that we must turn an activity into a habit through repetition or it just won't stick. What would happen if we applied the same kind of daily dedication to faith? Could faith become a habit, a given--automatic? With vulnerable storytelling and insightful readings of both Old and New Testament passages, Jen Pollock Michel invites the convinced and the curious into a 40-day Bible reading experience. Vividly translating ancient truths for a secular age, Michel highlights how the biblical text invites us to see, know, live, love, and obey. The daily reflection questions and weekly discussion guides invite both individuals and groups, believers and doubters alike, to explore how faith, even faith as small as a mustard seed, might grow into a life-defining habit.

The Scriptures say, "In the beginning was the Word, and the word was with God. And the Word was God. He was with God in the beginning" (John 1:1). John's gospel calls Jesus the Word of God. He presents Him as the personal Word of God, which indicates that in these last days God has spoken to us through His Son. The Scripture also revealed that Jesus Christ is the manifold wisdom of God and the perfect revelation of the nature and person of God. Just as a person's words reveal his or her heart and mind, with Christ, it is the same, as the Word reveals the heart and mind of God. All those who know Jesus Christ, earnestly desire to know Him more and more. Our Lord said, "Before Abraham was born, I Am," which means that Abraham is a creature of

God, just as Adam and Eve; and Jesus Christ is the Creator; He is the beginning and the end, the first and the last, the Mediator and the Messiah, predicted by the Old Testament prophets long before Abraham was born. Jesus Christ is the manifestation of God's wisdom, righteousness, sanctification and redemption. Jesus Christ is the Lamb of God that was slain before the foundation of the universe. "He is before all things, and in him all things hold together" (Colossian 1:17). God will show His love for you in an active way, in a big way, in a way that you cannot imagine or think, or comprehend. At the present time, your most holy duty and task is to draw close to the Lord and continue in faithful obedience to His commandments, to His Word and to the control and direction of the Holy Spirit. Gain a deeper understanding of Jesus Christ and grow in knowledge, strength and truth through this uplifting read.

Christopher M. Hays addresses the apparent incongruity in Luke's ethical paraenesis and argues that Luke's Gospel depicts a spectrum of behaviors which actualize the basic principle of renunciation of all.

Paul has provoked people as much in recent times as he did when he was alive. Some regard him as a pestilent and dangerous fellow. Others think of him as the greatest teacher of Christianity after Jesus himself. In this book, leading theologian Tom Wright focuses on key areas of Paul's teaching, helping us to understand what he was doing and saying. He sweeps away the confusion of much modern theology to uncover the real man and his message.
