Life is hard. We often find ourselves walking through stories that don't feel like they should be ours. And yet here we are. We wonder where our good God is in the midst of it. But we are not left without hope. In fact—we have the greatest hope of all. Through vulnerable stories and rich insight, Paula Rinehart and Connally Gilliam point to the Larger Story that carries all the anxiety, longing, and beauty of your life. The backdrop of the big gospel story—creation (how life ought to be), the fall (how life is), redemption (how life can be), and restoration (how life will be one day)—gives context to our lives and hope for walking forward. The grand story of the gospel of Jesus Christ frames our every step. Discover renewed strength and joy in the middle of your ache . . . and the goodness of God that will give you the courage to remain yet undaunted.

In *Heart Made Whole*, Christa Black Gifford shares her own stories of loss, betrayal, and personal tragedy, chronicling clear steps to redemption to help those in pain invite the true Healer into the tangled mess of their broken hearts. Gifford reminds readers that pain is not their enemy, however, unhealed pain can become their greatest foe if it's not taken to Jesus. Growing up as a preacher's kid, Gifford had been submerged in Christian culture for decades when she uncovered the truth--that there were broken parts of her heart that weren't on friendly terms with the God who lived inside. Through disappointments and traumas, she had learned to guard her heart from God, keeping her angry, entrapped, and disconnected. As struggles and hardships continued, she finally learned to run towards her relationship with God when things got hard, instead of running away from Him like she had in the past. The more that she did this--building her heart's capacity for intimacy and deep relationship--the more her heart

began to heal from the inside-out. She teaches the reader to access the solution that's already living inside of them--the God who forever made their heart a home. When trials and tragedy hit our lives in a fallen world, our hearts can get smashed to bits, and we end up putting God on trial and blaming Him for the mess. But Christa helps readers understand that they don't have to live controlled by their circumstances--or angry with God. Instead, she provides powerful insight and practical steps to turn the painful fire that comes to destroy us into an unexpected friend that can produce our greatest healing. The condition of the heart determines the condition of life--and the heart can be bound up and healed, producing freedom and abundant life. With personal workbook sections for each chapter Christa helps readers experience steps to turn their pain into the healing and wholeness available to every believer.

Based on Hillsong's Grammy-winning, viral smash hit song, a fantastical journey of discovery certain to inspire children who long to know more about Jesus and what draws people to Him. Little Oliver takes a unique, otherworldly journey to unearth the name that is escaping him. It's familiar, he knows. He travels into the world with a little monkey friend, encountering the concepts of beauty, wonder, and power. The journey jogs his memory and he finds that the words to the song are linked to the Name of Jesus--and that he's never alone. Jesus lives in his heart, and it doesn't take an adventure around the world to discover the many names for Jesus

Choral collection for the adult choir, arranged in SATB format.

Brian Johnson wuchs in einer tiefgläubigen Familie auf. Doch bereits als Siebenjähriger erlebte er Panikattacken. Und entdeckte eine starke Waffe dagegen: Lobpreis und Gebet. Jahre später baute er das

erfolgreiche Musiklabel "Bethel Music" auf und schrieb preisgekrönte Songs. Doch eines Tages kam die Panik zurück. Sie war stärker als alles, was er in seiner Kindheit erlebt hatte. Und sie blieb. Lobpreis und Gebet schienen nicht zu helfen ... In seinem Buch beschreibt er den langen Weg der inneren Heilung, auf dem Gott ihm etwas Elementares schenkt: die Gewissheit, dass er real ist - trotz allem. Ein wertvoller autobiografischer Ratgeber für Betroffene und Angehörige, der aufzeigt, dass die biblischen Verheißungen Gottes wahr bleiben, auch wenn alles andere zu zerbrechen droht.

First published in 1993, *The Virgin Suicides* announced the arrival of a major new American novelist. In a quiet suburb of Detroit, the five Lisbon sisters—beautiful, eccentric, and obsessively watched by the neighborhood boys—commit suicide one by one over the course of a single year. As the boys observe them from afar, transfixed, they piece together the mystery of the family's fatal melancholy, in this hypnotic and unforgettable novel of adolescent love, disquiet, and death. Jeffrey Eugenides evokes the emotions of youth with haunting sensitivity and dark humor and creates a coming-of-age story unlike any of our time. Adapted into a critically acclaimed film by Sofia Coppola, *The Virgin Suicides* is a modern classic, a lyrical and timeless tale of sex and suicide that transforms and mythologizes suburban middle-American life.
