This book, "31 Days Encounter with the Holy Spirit," is a "Life in the Spirit program." A study guide that attracts divine encounter and releases the supernatural virtues of the Holy Spirit in your life. It is an insightful program where you get supernaturally empowered and equipped to succeed in all ramifications of life. Many people who failed in businesses, marriages, academics, and other areas of life could have been successful if they had humbled themselves and learn from the Holy Spirit whom God had made a Teacher to those who are willing to learn and grow in knowledge, wisdom, and understanding. Before we talk about the personality of the Holy Spirit, let's consider this story. A man was looking for a good school where he could register his children for proper education. His friend introduced him to a school and highly recommended the school for his children. Initially, the man did not consent to his friend's recommendation because he doubted if the school has good teachers. But later, he decided to give it a trial. He registered one of his sons just to know what would be the outcome of the studies. At the end of the first term, the performance of the child was superlatively outstanding. The man was delighted. Without hesitation, he registered the other of his two children, making it a total of three children he enrolled in the same school. Just like the man who enrolled his three children in the same school after he had ascertained the credibility of the school, we also need to know who the Holy Spirit is and find out His definite attributes. This will help us to believe in Him fully and also open our hearts for His impartations. "And the angel answered and said to her, the Holy Spirit will come upon you, and the power of the Highest will overshadow you, therefore, also, that Holy One who is to be born will be called the Son of God". – (Luke 1:35) Holy Spirit is a Personality who has divinely embodied power to make everything possible. Nature demands that a man and a woman must come together sexually before a woman could conceive and bear a child. But in Luke 1:35, we see the Holy Spirit overruling the law of nature and granting a woman a child in her womb without the interference of any man. Holy Spirit is in relation with the Godhead. He is the Spirit of God sent to help humanity achieve divine purposes. He gives wisdom for diverse purposes and also imparts moral and decent character in the lives of those who are privileged to have Him. He was fully involved in the creation of the earth and the things in the earth (Genesis chapter 1). Presently, He is the Spirit of God, helping the church of God to manifest the power and glory of God. He was sent to us by God after the ascension of Jesus Christ into Heaven (Acts 1:4-8, 2:1-4). The Holy Spirit is in the world today, moving around and helping those who are willing to learn and receive from Him. He is our Comforter whom God sent to comfort us in every situation. The good and wonderful attributes of this glorious Personality called "The Holy Spirit" are so numerous to mention. But with these few qualities of His mentioned here, it is convincing that the Holy Spirit is worth hearing and learning from whenever He speaks. He gives wisdom, knowledge, and understanding to those who submit to His learning.

Tracy Fletcher's parents are mortified when her boyfriend Adam proposes marriage and she accepts. In an

attempt to get Tracy to reconsider, her parents make a deal with her: Have her take a trip to coastal Maine where Victoria, an old friend of Tracy's mother, and her son own a hotel. However, the deal is for Tracy to go without Adam so that she can think this proposal through without any distractions. She takes the deal and her and her two best friends venture off to Maine unaware that the state's tourism is suffering due to a series of murders taking place in the area. The monster known as the Frightening Finger Fiend is running around murdering married and engaged couples. Upon arrival, Tracy meets Victoria's son Hunter and his best friend Zachary who marvel at the uncanny resemblance Tracy bears to a woman they both loved and lost tragically. The haunting tale of this lost love begins to unfold and Tracy learns it is filled with jealousy, betrayal and murder. Tracy gets closer to Hunter and Zachary just as Adam makes an appearance having followed her in an obsessive attempt to keep watch on her. His jealousy becomes apparent as he is horrified to learn that Tracy has decided to leave him. Meanwhile, the murders have increased as many more victims are found just beyond the woods. Theories of the murderer being a ghost of a woman seeking vengeance continue to arise. As Tracy and her friends get closer to uncovering the truth behind these brutal slayings; the murderer has selected the next target and they soon learn they are too late.

As a child growing up I had all the love that my parents could give, but the struggles growing up very poor led me to rebel and I began to live life on the wild side. In school there was constant pressure from all the other kids because I did not have all the luxuries that most of them took for granted. Skipping school, hitch-hiking and getting high became my way of escape from all the pressures of growing up. At the time I didn't know it, but all of this was God's plan for me to prepare me for what was ahead. There were so many times I put my life at risk just for a cheap thrill. I should not be here now to write this book. But by the grace of God, I was spared from my stupidity and given the opportunity to tell my story. The story of how God's love surpasses any and all struggles that this world can throw at you. This is the story of my "LOST SOUL." I'm fifty- two years old and sick. My biggest dream has been to help impoverished and sick children and their families. My Lord put it in my heart to write this book. It took me one year to complete it. Manytimes I prayed to the Lord to allow me to help all the children. Now with the writing of this book, I hope that I can. My book, (really its God's book), Lost Soul describes my life long struggle to fully serve my Lord, who has always, even in the darkest days of my life, guided me to overcoming sadness and tragedy, involving my friends, relatives and myself. It took me years to grow stronger to see the joy that only Jesus can give.

For the past 16 years, Cadillac Man (so named because he was once hit by an El Dorado and thereafter bore an imprint of its hood ornament) has lived on the streets of New York City. Over those years, he has recorded the facts of his daily life - the harsh realities of surviving on the street, the often tragic encounters with the non-homeless world, the deep bonds with his fellow homeless, and the surprisingly varied realities of life on the outside - writing hundreds of thousands of words in a series of spiral bound notebooks. "My Life in the Streets" distills those journals into a memoir of homeless life that is peopled with indelible characters and packed with gripping stories. In a gritty, poignant, and funny voice, Cadillac narrates his descent into homelessness, the travails and unexpected freedoms of his life, and the story of his love affair with a young runaway, whom he eventually (and tragically) reunites with her family. The United States has 700,000 homeless people; ultimately, Cadillac's story is their story.

This book is this Book is a tool to help you concentrate and focus when there are so many distractions. Have you ever tried to pray, and found your mind wandering and couldn't keep focus? Or have you ever tried to pray for an hour and could not? I have tried so hard to focus when praying, but more often than not my mind drifts, and I must pull myself back to the area that I was supposed to be praying about. Sometimes it can be hard to concentrate on prayer.

He is all but forgotten today, but in his time, British author GEORGE WILLIAM MACARTHUR REYNOLDS (1814 1879) was a veritable Victorian Stephen King whose penny dreadful serials were more widely read than the works of Dickens, and shocked delighted readers with their lurid tales of murder, intrigue, and supernatural doings. This horrible tale, first published in 1851 2, opens in the year 1510 in an actual Gothic hall, where a young lady of exquisite beauty has been terribly affrighted. From there flows a tale so fiendishly wicked at least to 19th-century sensibilities that even a King may find himself haunted... Fans of horror and students of the history of pulp fiction will be enthralled by this little-remembered novel, which Cosimo is proud to present here in a charming replica of an 1857 edition, complete with the original illustrations.
