My Autobiography, Charlie Chaplin My Autobiography is a book by Charlie Chaplin, first published by Simon & Schuster in 1964. Along with Chaplin: His Life and Art, it provided the source material for the 1992 feature film Chaplin. It provides a revealing look into the life of a 20th-century filmmaker and celebrity.

Kieren Fallon was one of the world’s greatest jockeys, but his career was littered with controversial incidents. Now, in his powerful and honest autobiography, he tells all. 'The most eagerly anticipated racing autobiography for many years' Greg Wood, Guardian British Champion Jockey six times – without terrifying injury and mental trauma it could have been many more – he won more than 2250 races, including the Derby three times, the Prix de l’Arc de Triomphe twice, and more 2000 and 1000 Guineas (nine) than anyone else in the history of the sport. He was also accused of race fixing, resulting in an astonishing Old Bailey trial at which he was completely cleared. No one would question his ability in the saddle. Few, if any, have ever been as good at coaxing the best out of their rides. But his extraordinary rapport with the horse has not quite been matched by his dealings with humans – particularly not those in authority with whom he’s had a career-long battle. Now Fallon recalls his rise from a rural Irish family with no racing connections, and his frequent collisions with the media as well as many of the people who run the sport. With wit as well as absolute frankness, he tells of the huge pressures on top jockeys - even those without his external problems – and how his dazzling riding career was marred, then brought to a premature halt by campaigns of lies and innuendo. Brutally honest as well as entertaining, this is a unique sporting memoir.

“I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life.” The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus

Selected from Mark Twain's typescript.

About The Book -It is hard to beat a person who never gives up! - Babe Ruth -Autobiography - An Account of a person's life and as written by that person! This is my 33rd book - and after 6 books on Arab Management, 3 on Road Safety, 2 prior of this on My Autobiography (The Story of My Life!) - 12 on my Columns Writings 'Between Us Only' and 'At My Workplace!' and the rest on assorted topics! The book is a bird's eye view all about me from my all varied articles to date! If one wants to write my Obituary then there is no place to start than from this book - but not forgetting reading the other books as well! I apologise in advance - as I do feel I may have missed out in some articles. But writing my Bibliography, this book will go 90% in doing the work! The articles produced here are in main part linked to me as Majid aka as Magic - Magic Man as the pseudonym I used in 'The Forums'! Also interestingly the article - Why Do They Call You Magic? Also Who Is Majid? And My Epitaph! The articles are also about My Family and My Late Parents – Peace Be Upon Them! There are several bits and pieces spread out in my other 28 books where they could also come here - but then the book will be very big in size and in contents! I hope you will like reading about me! People were always asking me - Why don't you write a book about yourself? The story of your life? I then decided to accept the challenge and write this book. Like the other books - I have tried to be as factual as possible - and with my usual style of writing of speaking to you directly from my heart - and to be as sincere, genuine, frank, forthright as possible - so that this book can not only be used in Research works - but as a Guide and Beacon for the children, grandchildren, great grandchildren - and future generations by the Grace of Allah God - Ameen Amen. The Author

Chaplan recalls "his boyhood; the early, casual days of the movies; how he evolved his style, his costumes, his plots, his sudden dazzling success; how he chose his leading ladies; his encounters with great stars and world figures, from Mary Pickford to Gandhi to Bernard Shaw to FDR; his emotional involvements and his four marriages . . . and the political accusations that made him decide to leave the United States."

Famed American author's plain-spoken words recall his boyhood in Hannibal, Missouri, life as a riverboat pilot, as a young adult in rough Nevada mining towns, years spent as a widely renowned author, more.

Renowned American humorist Mark Twain turns his incisive wit loose on his own life story in this unique take on the nineteenth-century memoir. Originally composed in a format that studiously ignored the careful chronological structure that most autobiographies follow, these essays were first published in book form ten years after the author's death. Twain fans will love the author's account of his quintessentially American upbringing, wildly zig-zagging career path, and gradual transition into the writing life.

Mark Twain began writing his autobiography long before the 1906 publications of "Chapters from my Autobiography". He originally planned to have his memoirs published only after his death but realized, once he'd passed his 70th year, that a lot of the material might be OK to publish before his departure. While much of the material consists of stories about the people, places and incidents of his long life, there're also several sections from his daughter.
