As John Green, New York Times bestselling author of The Fault in Our Stars said, " King Dork will rock your world." The cult favorite from Frank Portman, aka Dr. Frank of the Mr. T. Experience, is a book like nothing ever done before--King Dork literally has something for everyone: At least a half-dozen mysteries, love, mistaken identity, girls, monks, books, blood, bubblegum, and rock and roll. This book is based on music--a passion most kids have--and it has original (hilarious) songs and song lyrics throughout. When Tom Henderson finds his deceased father ' s copy of J. D. Salinger ' s The Catcher in the Rye, his world is turned upside down. Suddenly high school gets more complicated: Tom (aka King Dork) is in the middle of at least half a dozen mysteries involving dead people, naked people, fake people, a secret code, girls, and rock and roll. As he goes through sophomore year, he finds clues that may very well solve the puzzle of his father ' s death and—oddlly—reveal the secret to attracting semi-hot girls (the secret might be being in a band, if he can find a drummer who can count to four. A brilliant story told in first person, King Dork includes a glossary and a bandography, which readers will find helpful and hilarious. Praise for King Dork: " Basically, if you are a human being with even a vague grasp of the English language, King Dork, will rock your world." —John Green, author of The Fault in Our Stars " [No account of high school] has made me laugh more than King Dork. . . . Grade A." —Entertainment Weekly " Impossibly brilliant." —Time " Provides a window into what it would be like if Holden Caulfield read The Catcher in the Rye." —New York Post [STAR] " Original, heartfelt, and sparkling with wit and intelligence. This novel will linger long in readers ' memories." —School Library Journal, Starred [STAR] " A biting and witty high-school satire." —Kirkus Reviews, Starred [STAR] " Tom ' s narration is piercingly satirical and acridly witty." —The Bulletin of the Center for Children ' s Books, Starred " Loaded with sharp and offbeat humor." —USA Today " King Dork is smart, funny, occasionally raunchy and refreshingly clear about what it ' s like to be in high school." —San Francisco Chronicle " King Dork: Best Punk Rock Book Ever." —The Village Voice " I love this book as much as I hated school, and that ' s some of the highest praise I can possibly give." —Bookslut.com

This book includes self-test section at the end of each chapter. Test yourself, then check answers in the back of the book to see how you score. CD-ROM included.

Now celebrating more than 50 years in publication, Frank Wood ' s Business Accounting Volume 2 continues to provide an essential guide for accounting students around the world.
