Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.

Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and offers a set of problems similar to those in the text and Test Bank with fully worked-out solutions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Intended as an introductory course, this text contains updated institutional material which is international in scope and deals with the effects of electronic commerce. It provides tips, questions and answers and special features.

Trust the market-leading author team that has set the standard for quality, reliability, accuracy, and innovation edition after edition to help you put your students on the forefront of understanding today's corporate finance and financial management. This new edition is First in Finance with a unique, proven, compact approach to teaching introductory finance principles that offers a unique balance of clear concepts, contemporary theory, and practical applications. Because the goal of financial management is to maximize a firm's value, this new Concise Edition emphasizes the concept of valuation throughout, covering Time Value of Money (TVM) early to allow students time to absorb the concepts fully. The book's strong, focused foundation in the basics makes it easier for students to understand the how and why of corporate budgeting, financing, and working capital decision making. Throughout this edition, the authors emphasize an understanding of applications using numerous real-world examples, proven end-of-chapter application problems, and Integrated Cases that present chapter topics in actual life scenarios and demonstrate theory in action. Excel Spreadsheet Models ensure students can maximize today's technology. The seamless, integrated package prepared by the text authors--a hallmark strength of the book--continues to offer comprehensive tools to reduce preparation time and further your students' understanding. The sixth edition includes Thomson One Business School Edition, the same financial online database professionals use every day. In addition, Aplia's Preparing for Finance, a leading homework solution tool which includes tutorials, interactive assignments and news analyses, accompanies this text to help students get the practice needed to learn the subject. Trust the strengths in Brigham/Houston's marketing-leading FUNDAMENTALS OF FINANCIAL MANAGEMENT, CONCISE EDITION, Sixth Edition, to put you First in Finance today.
