39 years ago today, Gilles Villeneuve took his sixth, and ultimately last, win in Formula 1 at the Spanish Grand Prix, won aboard the heavily outgunned Ferrari 126C and ahead of a train of five cars split by a scant 1.24 seconds. Fittingly, that win at Jarama on 21 June 1981 remains among the French-Canadian's most definitive.

Gilles Villeneuve's all-or-nothing approach was well known. An example: at Watkins Glen one year, qualifying on the first day on a soaked track, he left his competitors scratching their heads after turning a lap eleven seconds faster than anyone else. The author of this piece clearly remembers the first photo he ever saw of Villeneuve.

Gilles Villeneuve became a legend in his own time, a driver whose skill and daring personified the ideals of Grand Prix racing, the pinnacle of motor sport. With his flamboyantly aggressive, press-on-regardless style in his scarlet Ferrari, he captured the imagination of a vast international audience as no other driver has in recent times.

Villeneuve is still racing across our imaginations. Courage, fury and heart-rending tenderness. Gilles Villeneuve died on 8 May 1982 on the Zolder track, in Belgium. Since then thirty-five years have passed. A long time, or the blink of an eye, if we come to terms with the intensity of memories, with the colours of passion. Above all, red, the red of his Ferraris, stumbled upon by chance and ultimately brought into a firmament that amazed us, worried us, gave us absolute joy and fear. Even though he never obtained a world title, he won all our hearts. A collective emotion with a painful premonition. A true, great sports story, with a protagonist transformed into an immortal legend. Wow Gilles! covers, year after year, the "reckless" life of Gilles Villeneuve through the photographs of Ercole Colombo and texts by Giorgio Terruzzi. The voices of these two exceptional narrators (both were eye-witnesses to the Canadian race driver's over- the-top life) guide us along a journey that begins in 1977 and ends in 1982. From his F1 debut to his tragic accident in Belgium, this spectacular photo album will allow readers to relive the romanticism of the sport that characterized those years, of which Villeneuve was a key player.

Carol Shields, the Pulitzer Prize-winner author of the novels Unless, The Stone Diaries and Larry's Party was also a renowned short story writer. Now readers can enjoy all three of Carol Shields's short story collections – Various Miracles, The Orange Fish and Dressing Up for the Carnival – in one volume, along with the previously unpublished story, "Segue," her last. With an eye for the smallest of telling details – a woman applying her lipstick so "the shape of pale raspberry fits perfectly the face she knows by heart" – and a willingness to explore the most fundamental relationships and the wildest of coincidences, Shields illuminates the absurdities and miracles that grace all our lives. From a couple who experiences a world without weather, to the gentle humor of an elderly widow mowing her lawn while looking back on a life of passion, to a young woman abandoned by love and clinging to a "slender handrail of hope," Shields's enormous sympathy for her characters permeates her fiction. Playful, charming, acutely observed and generous of spirit, this collection of stories will delight and enchant Carol Shields fans everywhere. Excerpt from The Collected Stories of Carol Shields Let me say it: I am an aging woman of despairing good cheer — just look into the imaginary camera lens and watch me as I make the Sunday morning transaction over the bread, then the flowers, my straw tote from our recent holiday in Jamaica, my smile, my upturned sixty-seven-year-old voice, a voice so crying-out and clad with familiarity that, in fact, I can't hear it anymore myself, thank God; my ears are blocked. Lately everything to do with my essence has become transparent, neutral: Good morning, Jane Sexton smiles to one and all (such a friendly, down-to-earth woman). "What a perfect fall day." "What glorious blooms!" "Why Mr. Henning, this bread is still warm! Can this be true?"

Gilles Villeneuve was the quintessential racing driver – brave, dashing and passionate, and is one of the few truly iconic drivers. His epic last-lap struggle with René Arnoux in the 1979 French GP and his lap on three wheels at Zandvoort the same year have passed into motor racing folklore. This book brings Villeneuve's career vividly to life through stunning images exclusively from the archives of LAT, the world's biggest library of motor racing photographs.

This is the emotional story of Patrick Tambay's rollercoaster Formula 1 ride with Ferrari. The saga began in 1982 with the tragedy of his friend and fellow driver Gilles Villeneuve's death in the Belgian Grand Prix at Zolder and then unfolded as Tambay took Villeneuve's place in car number 27, achieved race victories and, as the 1983 season developed, fought for the World Championship. Told in 27 chapters, this is a tale not only of Formula 1 in those colourful years but also a rare and revealing account of life inside Maranello in the twilight of the Enzo Ferrari era, supported by magnificent photographs by Paul-Henri Cahier. - British GP, 1982: at Brands Hatch Tambay's second race for Ferrari brings his first-ever podium finish, in his 51st Formula 1 start. - German GP, 1982: after team-mate Didier Pironi's career-ending crash during practice at Hockenheim, Tambay lifts his sombre Ferrari team with his first Formula 1 win. - Italian GP, 1982: in front of Ferrari's emotional home crowd at Monza, Tambay finishes second, with the great Mario Andretti, his team-mate for this one race, behind him in third place. - San Marino GP, 1983: Tambay delivers exactly what the Scuderia's fans desire - victory at Imola for the number 27 Ferrari 12 months after Gilles's last race. - South African GP, 1983: Tambay's farewell race for Ferrari sees him on pole position (his sixth front-row start in seven races), but a mechanical failure denies him any chance of a final victory.
