Student Edition

The nation's number one economics program Economics: Principles & Practices is the only program with full coverage of the new economy and the impact of the digital revolution. It is correlated to the National Standards and, in addition to having current statistics and news events, this program has updated diagrams, charts, maps, photos, and illustrations.

Reading Essentials, Student Edition provides concise content of the Student Edition written at a lower grade level, making it perfect for struggling readers and ELL students.

Proven in the classroom, Economics: Principles and Practices provides a solid basis for learning economics for all students based on the twenty standards from the Council of Economic Education Includes Print Student Edition
