Secrets of the Serpent: In Search of the Sacred Past by Philip Gardiner Across time and across the world, an ancient serpent cult once dominated mankind. Many people have no understanding of what the word gnosis means, others think that it simply means knowledge and leave it at that. Yet there is a deeper meaning. It is a word that gives rise to the title *Gnostic*, or one who has special knowledge. The true definition of the term gnosis is the direct mystical experience of the Divine in the self. It is the realization of the true nature of ourselves, and cannot be discerned through intellectual dogma or doctrine, but only through experience.

Eucharist (Delivered directly from the altar of Christ)

With his recent best-selling books and hundreds of articles, as well as radio and TV appearances, Philip Gardiner has started a crusade for uncovering the truth, and nothing could be more indicative of that search than his latest foray into the dark and often sinister world of secret societies. Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men. In one dramatic episode he finds himself driven out of Berlin in a black Mercedes by a secret organization that was believed to have disappeared after the second World War and eventually arrives in a modern Nazi watering hole. Gardiner, however, survives this incredible journey and brings us the secrets of the Order held sacred for so long. Gardiner delves into a world that is often hidden from our eyes and finds himself in situations that seem to mirror the fictional world of the *Da Vinci Code*. Throughout *Secret Societies*, Gardiner: -Uncovers an ancient secret society thought to have died out many years ago. -Gets to the core of the secret societies' belief systems. -Explores the secret origins of Freemasonry and the links to secret Serpent Cults. -Investigates the secret hidden meaning of King Arthur and Robin Hood. -Examines the claimants to the name of Illuminati, and analyzes the history of the group in Europe and America. -Reveals the secret links within the Vatican and the Nazi Party. -Looks in-depth at the white-powdered gold theory supposedly kept secret by orders throughout time and radically re-appraises it. -Shows the link between the so-called enlightenment experience and the control of our minds. Nobody in the genre involves themselves in the tale in the same way that Gardiner does, and here he shows that the search for ultimate truth can often be a terrifying one.

Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time • Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions, particularly in the sacrament of marriage • Reinterprets Jesus' key teachings in light of the ancient tradition of sacred consortship • Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high-initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists. He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born, which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple. At the heart of this movement was a yogic-based practice known in the apocrypha as the *Gnosis of the Heart*, which espoused the union of both sexes in a secret initiatic teaching. As a fearless social reformer, Jesus wanted to restore the authority of the feminine principle, including asserting the equality of man and woman in the social contract of marriage. He reinstated in his own life the tradition of sacred consortship--a rite known to early Church fathers as the bridechamber sacrament, whereby the marriage of the masculine and feminine energies was effected. This rite, Victoria LePage suggests, was the primary focus of Jesus' teachings, the very heart of his exhortations to love thy neighbor, and the source of his healing power. *Mysteries of the Bridechamber* explains how, as a master adept of the Temple of Solomon, Jesus derived these teachings directly from ancient Judaic mystery traditions, revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self-initiation and transformation.
