“Leah Darrow uses her experience in the beauty industry to help the women of our culture see what true beauty looks like.” —Jennifer Fulwiler, host of The Jennifer Fulwiler Show and author of *Something Other than God* Do you feel like you're never good enough? Like you should be living a more Instagram-worthy life? Are you exhausted by the impossible quest for physical beauty but still yearn for the validation of being chosen, valued, and deemed beautiful? Drawing on her

experience on America's Next Top Model and her work as a fashion model, Leah Darrow exposes the lies we are told about our worth being tied to our appearance and instead invites us to look again at the real meaning of beauty. She shows how we can reclaim true and lasting beauty—the kind that doesn't depend on self-doubt, exploitation, or comparison—when we reflect God's glory and embrace our value as he made us to be: strong, brave, and free. Only when we learn to see ourselves as God does can we leave behind our culture's definitions and demands and find joy in *The Other Side of Beauty*.

Do you feel as if you are running on empty? Have you fallen asleep to the glory of God and his love being revealed to you

each day? Bestselling and award-winning author and popular YouTuber Emily Wilson Hussem has been there too. She invites you on a year-long transformational journey of practicing gratitude, becoming more closely aware of God's presence in your every day and serving others in his name. These fifty-two reflections will help you cultivate a deeper prayer life, find freedom from the frenzy of tasks and the noise of the culture, and discover the lasting joy that can only blossom in a heart awakened to the beauty of God's quiet, loving presence. *Awaken My Heart* is an invitation to become aware of the presence of God in your life. Emily Wilson Hussem provides a roadmap for replacing busyness and distraction with intentional moments of noticing God's abiding love and practicing gratitude for his many gifts—big and little

blessings such as a visit from a friend, a call from your sister, the laughter of your children, a setting sun, or crumbs on the floor. These fleeting moments and everyday happenings can seem insignificant, but when you behold them with intention and thank God for making them possible, you'll find yourself in regular conversation with Jesus, the lifeblood of your deep connection with God. This fifty-two-week devotional blends spiritual insights, authentic vulnerability, and wise guidance for women of every age who want to have a heart fully awakened to God's presence and the beautiful bouquet of blessings he's put in your life. The reflection for each week includes a specific focus for the upcoming seven days. With stories, challenges, and insights into scripture, each reflection is designed to draw you deeper into awareness of Christ's

love and the love he is calling you to share with the world. Wilson Hussem also offers practical ways to choose to love—visiting the elderly, calling your mom, or pausing to pray for a special intention—that are simple enough for even the busiest lifestyle. How and when you use the devotional is completely flexible: You can start on any day of the week and return to it as often as you need to. Each week's focus is designed to draw you deeper into the heart of God by learning to love Jesus, others, and yourself more fully.

Is it possible to be both a Catholic and a feminist? Claire Swinarski, writer and creator of *The Catholic Feminist*

podcast, believes it is: “I’m a feminist for the same reason I’m bold and honest and sometimes ragey: because Jesus was all of those things.” In *Girl, Arise!*, Swinarski reconciles the two identities by demonstrating the strength and abilities women have to share with the Body of Christ, the importance of women throughout the history of the faith, and how the love you experience through Christ and the Church can change you and the world around you. In *Girl, Arise!: A Catholic Feminist’s Invitation to Live Boldly, Love Your Faith, and Change the World* Swinarski points out that while both “feminism” and “Catholicism” can mean different things to different people, both feminists and Catholics desire to make the world a better, fairer place. And she shows that by treating women with dignity equal to that of men—by calling

them his friends and teaching them—Jesus acted as a feminist as well. With humor and sass, Swinarski addresses her frustration with the traditional concerns churches ascribe to women, as shown by the many talks directed at women focused on marriage and modesty rather than social justice. But she pinpoints the areas where modern feminism goes too far, arguing against abortion and exploring what it means to serve others rather than focus on our own needs first. Swinarski also tells the stories of holy women—including Vashti in the book of Esther, Sts. Thérèse of Lisieux and Joan of Arc, Mary Magdalene, and the Blessed Virgin Mary—to show how their faith influenced their actions, even when those actions went against traditional norms and roles of women. You will be empowered to embrace your God-given

abilities as you follow the women who have gone before you in faith who—by announcing Christ to his disciples, believing in God's promises, and being faithful in hardship—changed the world.

A Harvard graduate, Rhodes Scholar, and devout Catholic tells you everything you need to know about keeping your faith at a modern university. Drawing on her recent experience, Aurora Griffin shares forty practical tips relating to academics, community, prayer, and service that helped her stay Catholic in college. She reminds us that keeping the faith is a conscious decision, reinforced by commitment to daily practices. Aurora's story illustrates that when you decide your faith matters to you, no one can take it away, even in the

most secular environments and under strong peer pressure. Throughout the book, she shows how being Catholic in college did not prevent her from having a full “college experience,” but actually enabled her to make the most of her time at Harvard. Aurora encourages students who are about to begin this formative journey, or those now in college, that the most valuable parts of college life -- lasting friendships, intellectual growth, and cherished memories -- are experienced in a more meaningful way when lived in and through the Catholic faith.

Are you disconnected from God? Do you feel that your life has no hope? As a teenager, Fr. Rob Galea's reaction to those painful feelings was addiction, violence, and destructive

friendships. When the recording artist and former Australian X Factor contestant finally let God in, his life completely changed. In Breakthrough, Galea shares his journey from scared teenager to passionate priest and invites you to learn more about the Catholic faith so you, too, can find hope in Christ. Rob Galea was a lonely, miserable teenager. He wanted to feel like he belonged, so he joined a gang. He went clubbing. He drank. He stole things. He lied. His reckless lifestyle ultimately led him to hide in fear for his life from other gang members. He was so desperate in those days spent in his dark bedroom that he contemplated ending his life. Then a phone call from his grandmother about a youth group at a nearby church—an invitation not originally intended for him—helped Galea turn his life around. When he finally let

God break through his loneliness and fear, he began to experience freedom and God's unconditional love. In Breakthrough, Galea takes you on his journey to seminary, the move from his home country of Malta to Australia, and the development of his ministry as a priest, speaker, singer/songwriter, and recording artist. Along the way, he'll help you to see the life-changing journey of discipleship and how to find hope in your Catholic faith.

A daring young woman risks everything to pursue a career as a doctor on the front lines in France during World War I, and learns the true meaning of hope, love, and resilience in the darkest of times. When Eleanor Atherton graduates from medical school near the top of her class in 1917, she dreams

of going overseas to help the wounded, but her ambition is thwarted at every turn. Eleanor's parents insist she must give up medicine, marry a respectable man, and assume her proper place. While women might serve as ambulance drivers or nurses at the front, they cannot be physicians--that work is too dangerous and frightening. Nevertheless, Eleanor is determined to make more of a contribution than sitting at home knitting for the troops. When an unexpected twist of fate sends Eleanor to the battlefields of France as the private doctor of a British peer, she seizes the opportunity for what it is--the chance to finally prove herself. But there's a war on, and a casualty clearing station close to the front lines is an unforgiving place. Facing skeptical commanders who question her skills, scores of wounded men needing care,

underhanded efforts by her family to bring her back home, and a blossoming romance, Eleanor must decide if she's brave enough to break the rules, face her darkest fears, and take the chance to win the career--and the love--she's always wanted.
