In *The Sea of Flesh and Ash*, brothers Jeffrey Thomas and Scott Thomas explore the haunted environs of their native New England - and alternate realms of existence - in two poetic and chilling short novels. Jeffrey Thomas' *The Sea of Flesh* follows the destinies of a dying woman beset by terrifying nightmares; a young Vietnamese woman experiencing strange visions; and an American research scientist is stalked by a menacing figure, with dangerous consequences. Consummate man of business and rake at large, Worth Kettering, repairs to his country estate to sort out his familial situation, trusting the ever efficient (though as yet unmet) housekeeper, Jacaranda Wyeth, will provide his family a pleasant summer retreat. To his surprise, his household is managed by a quick-witted, violet-eyed beauty who's his match in many regards. As Jacaranda and Worth become enamored, the family she's kept hidden from him, the financial clients Worth feels singularly protective of, and the ragged state of affairs between Worth and his estranged older brother Hessian all conspire to keep Worth and Jacaranda apart. Worth must choose between love and profit, and Jacaranda must decide between loyalty to her family, and the love of a man who values her above all others.

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.
