answer key.

"The first part of the book covers specific parts of speech such as nouns, adjectives, pronouns, verbs, and adverbs as well as the structure of sentences. The last part provides games for a bit of fun, task cards for extra practice, and word banks to save teachers some time. The overall goal is to help students learn enough about grammar to communicate easily and effectively, to evaluate the myriad of messages that surround them, and to function successfully in business and society"--P.
