Gran Canaria Walking Festival - Hiking Event
in Gran Canaria

Less than 100 miles off the north west coast of Africa, in the centre of the Canary Islands archipelago, sits the volcanic island of Gran Canaria - often referred to as 'a miniature continent' with its extraordinarily varied landscapes ranging from the north's lush green forests and valleys, to the towering mountainous interior, to the desert-like dunes and beautiful white beaches of its southern shores.

Gran Canary not only enjoys a fabulous reputation as a paradise of sunshine and beaches; it can also be described as one of the most versatile hiking islands of the Canary Archipelago. Connoisseurs praise it as a miniature continent because of its diversity of landscapes: shimmering dunes in contrast with luscious subtropical valleys, deep ravines with palm tree oases and glittering reservoirs, next to which are extensive pine tree forests and green slopes with grazing sheep and goats. To the North West cliffs drop down 800 m deep into the

ocean, while in the centre of the island serrated, almost 2000 metre high ridges and bizarre rock monoliths emerge, which the Spanish writer Miguel de Unamuno once interpreted as "fossilised storms of fire and lava". This Rother walking guide - following La Palma and Tenerife - is now the third featuring the Canary Islands: excursions to beaches and spectacular cave villages, walks through pine forests and atmospheric ridge paths. Due to the increased significance of hiking tourism, parts of what at times are more than 500 year old rocks have been carefully restored over the last years. These

to-coast route on the GR131, an island-hopping long-distance trail stretching across all seven of the Canary Islands. There are walks suitable for those of all abilities, ranging in landscape from coastal clifftops to the dramatic volcanic mountains inland. Walks venture through villages and towns, and up to the summits of the highest peaks on Gran Canaria. Each walk gives information on access (predominantly using the island's good bus services), details of places offering food and drink, and notes on the interesting features passed along the way. The book also provides lots of background information on
