The practice of guided reading is based on the belief that the optimal learning for a reader occurs when they are assisted by an educator, or expert 'other', to read and understand a text with clear but limited guidance. Guided reading allows students to practise and consolidate effective reading strategies.

Guiding Reading will help all teachers of children in Key Stage 2 understand what is involved in guided reading and will dispel common misunderstandings. In guided reading, children read the texts themselves while the teacher acts as the expert who guides them through the text. This book explains the development of reading processes and preferences in children aged 7 to 11, and gives the rationale for guided reading. It explains clearly what teachers need to do in order to organise their classrooms, their
