Kasturi, traces his journey, in his own words, from the divine grace of Sri Ramakrishna Paramahamsa to the Lotus Feet of the Compassionate, Merciful, and Divine One, our beloved Bhagawan Sri Sathya Sai Baba. Renowned all over the world as Bhagawan's biographer and the translator of His divine discourses, Prof. N. Kasturi describes, in Gurudev, how our beloved Swami captured his heart and soul and guided him ever onward, towards the Lotus Feet of the Divine.

The 1903 Mrdang aur Tabla Vadanpaddhati is a revelatory text that has never been translated or analysed. It is a manual for playing the two most important drums of North Indian (Hindustani) music, the pakhavaj (mrdang) and the tabla. James Kippen provides the first translation of this immensely important text. He sets the work and objectives of the original author in the context of a rich historical, social and political background. By also discussing the differences in the second edition of 1938 Kippen illuminates the process by which 'tabla theory' was being created in the early 20th century.

‘Guru Shishya’ these two words are very familiar to us – in our culture – in our country. But what does the term ‘Guru indicate truly, what is ‘Shishya’ in true sense are explained in this book beautifully and deeply. The explanation is done by none other than Gurudev Sri Sri Ravi Shankar. Yet another astonishing feature in this book is how a shishya as devotee has evolved to a higher state that which Gurudev has explained. The transformation was taking place step by step as in the case of pupa to butterfly. It is wonderful evolution and it has been explained clearly in this book. The mighty power of the Guru that the Shishya has experienced is sprinkled here and there as she had been progressing in the spiritual path. How the great Guru, Gurudev Sri Sri Ravi Shankar has moulded the Shishya from nothing to everything and everything to nothing is shown in this book. The book will be a masterpiece to those who are in the path and those who are ready to step in the path. This is a book where experiences are interwoven with philosophy in the realm of spirituality.
