hair stylists not only to the practical aspect of braiding, but also the professional and theoretical background of braiding. After extensive research and practice at the Hair? Braid it! salon we discovered that there is more to braiding than just installing a plait. This book was developed to share knowledge, with hopes of standardizing the braiding industry and creating a professional atmosphere. The manual features step by step instructions on the major braiding techniques of trends of today, alongside detailed pictures. This book is devoted to providing step by step instructions and tips to help anyone interested in perfecting their braiding skill. The Manual focuses on three major techniques such as plaits, twists and cornrows. It has detailed information about
