Half Bad - Wikipedia

Half Bad is a young adult fantasy novel that seeks to be "grittier" than typical YA fare. It succeeds, in part, but is bogged down by the typical angst-y relationships and fairly predictable plot. I think most readers agree that the opening is the best part of Half Bad. It is a bit of a downhill ride from there.

Half Bad (The Half Bad Trilogy, #1) by Sally Green

Half Bad is a wonderful integration of witches into modern day society and makes for an intriguing and compelling story that makes you question today's world(or at least it did for me). The far superior White Witches or S***es(I love this!) as they become to be known through one character, have control of much of the UK and are in the process of hunting down and seemingly culling Black Witches.

Half-bad | Definition of Half-bad by Merriam-Webster

Parents need to know that Half Bad is the start of a fantasy trilogy about witches that the publisher is marketing to ages 12 and up. However, the amount of violence here and the overall edginess of the content make it pretty consistent with books most publishers aim toward the more mature YA crowd; high schoolers, not middle schoolers.

The magical, stunning conclusion to the internationally acclaimed Half Bad trilogy--now available in more than 50 countries. The Alliance is losing. Their most critical weapon, seventeen-year-old witch Nathan Brynn, has killed fifty-two people, and yet he's no closer to ending the tyrannical, abusive rule of the Council of White Witches in England. Nor is Nathan any closer to his personal goal: getting revenge on Annalise, the girl he once loved, before she committed an unthinkable crime. There is an amulet, protected by the extremely powerful witch Ledger, which could be the tool Nathan needs to save himself and the Alliance. But the amulet is not so easily acquired. And lately Nathan has started to suffer from visions: a vision of a golden moment when he dies, and of an endless line of Hunters, impossible to overcome. Gabriel, his closest companion, encourages Nathan to run away with him, to start a peaceful life together. But even Gabriel's love may not be enough to save Nathan from this war, or from the person he has become. Set in modern-day Europe, the final book in the Half Bad trilogy is more than a story about witches. It's a heart-pounding visceral look at survival and exploitation, the nature of good and evil, and the risks we take for love.

Unforgiveable betrayals, devious motives, and forbidden love collide in the first installment of internationally bestselling author Sally Green's epic new fantasy series, perfect for Game of Thrones fans. In a land tinged with magic and a bustling trade in an illicit supernatural substance, destiny will intertwine the fates of five players: A visionary princess determined to forge her own path. An idealistic soldier whose heart is at odds with his duty. A streetwise hunter tracking the most dangerous prey. A charming thief with a powerful hidden identity. A loyal servant on a quest to avenge his kingdom. Their lives intersect with a stolen bottle of demon smoke. As war approaches, they must navigate a tangled web of political intrigue, shifting alliances, and forbidden love in order to uncover the dangerous truth about the strangely powerful smoke that intertwines their fates.

And for the returning reader, this story sheds new light on one of the trilogy's most beloved characters.
