Author of the bestselling Everyday Halogen Oven Cookbook. Halogen ovens are perfect when cooking for two as they are so much cheaper to use than a conventional oven. Once you have mastered the basics, this machine will change the way you work in your kitchen. When cooking for two, you no longer have to waste energy heating a conventional oven. You can create amazing dishes with the minimum of fuss, washing up and waste. Nutritionist Sarah Flower, author of best-selling The Everyday Halogen Oven Cookbook and Perfect Baking with your Halogen Oven, is passionate about the benefits of the Halogen Oven. In this book she demonstrates its practicalities and gives you recipes for delicious meals that are up to 40% quicker than with conventional ovens. As with all of Sarah's recipe books, she strives to create wholesome recipes that are simple to follow, easy to prepare and good for you. Many of my readers have contacted me to ask how they could adapt some of the core recipes featured in The Everyday Halogen Oven Cookbook so that they could cook them for two people. I have carefully selected some of the most popular recipes from that book and reworked them to serve two. I have also included a large number of new and exciting recipes which work really well for two - these form the majority of the recipes in this book. If you can t find your favourite recipe from my first book in the following pages but would like it adapted to serve two people please let me know via my website <http://www.sarahflower.co.uk/>

This book, by nutritionist Sarah Flower, is packed with delicious, healthy and simple meals as well as general advice on how to use and maintain your Halogen Cooker. Halogen Cookers are ideal for those who live alone; or for cooking quick, easy and nutritious family meals without the expense of heating up a conventional oven. With your halogen oven you can cook up to 40% faster than with your conventional oven. It can be used to bake, grill, defrost, roast, steam and brown, and is the perfect one pot cooker. Unlike a microwave, it can cook brown and crispy pastry dishes and jacket potatoes. - How to get the most from your halogen cooker - Weekly menu plans - Soups and Casseroles - Main Meals - Quick snacks - Cakes and desserts - Stockists & further information

Halogen ovens are super convenient, compact appliances that can be kept on your kitchen counter. They heat with a combination of infra red and convection to cook food 40% faster than a conventional oven - without any of the dreaded soggygness associated with microwaves. Using a combination of racks you simply layer the food, set the dials and produce a whole meal from one appliance. Whether it's simply defrosting a joint of meat or making a more elaborate recipe, a halogen will take the time and hassle out of all your favourite dishes. As ever with our popular Hamlyn All Colour series, you'll find 200 delicious recipes with step-by-step instructions and colour photography to ensure perfect results every time. Why not discover how easy halogen cooking can be?

In this comprehensive and fully illustrated book, Sarah shares with you the many tips and tricks she has learned while cooking with virtually all the available Halogen oven models. You'll find many of your old family favourites in this book, now with colour photos, plus many of the new dishes that Sarah has created and personally tested. You'll also find recipes specially designed for one or two people, and complete meals you can prepare without ever using the conventional hob. For further advice about how to use your halogen oven and be part of a growing community of halogen oven users visit www.everydayhalogen.com.

Beatrice Ojakangas, an authority on convection cooking and author of more than two dozen previous cookbooks, explains how to use your convection oven to achieve perfect results in dramatically less time than with a conventional oven. If you own a convection oven, but don't really know how to use it, this book is for you. Cooking with Convection supplies more than 150 great recipes for snacks and appetizers; pizza and focaccia; soups; roast beef, lamb, pork and poultry; savory pies and tarts; casseroles and pasta; vegetables; yeast breads and quick breads; cakes, cookies, pies, and pastries; and much, much more. Try Melted Onion Tart with Parmigiano-Reggiano, Mexican Vegetable Tortilla Soup, Tandoori Salmon with Cucumber Sauce, Asian Spiced Roast Whole Chicken, and Cocoa Cake with Easy Buttercream Frosting, among so many imaginative and easy dishes. You will learn: *How to cook a whole meal in your oven-from meat to side dishes to dessert-all at the same time *How to cook multiple batches of cookies, cakes, and pies on three or even four oven shelves *How to roast and bake in a third less time than in a conventional oven while achieving even better results *How to calculate the correct temperature and timing for convection cooking if you are using a standard recipe By circulating hot air around food, convection ovens cook and brown food much more quickly and at a lower temperature than conventional ovens, while retaining food's natural juiciness and flavor. With this book you will be able to save significant amounts of time and effort while turning out delicious dishes for everyday meals and easy entertaining.
