PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

Ranging from the silly (a \$35 posable case that looks like a cat) to the sublime (the \$400 Klipsch iFi digital music system), iPod accessories are almost as hot as the iconic music player itself. Here to help you make sense of the explosion of cases, carriers, cables, external speakers, FM transmitters, battery chargers, and more is eye candy of another kind: a beautiful, full-color guide that lets you drool over the world of accessories available for your beloved music player. With a picture of each product and a description and analysis to go alongside, you'll discover not only just what you're looking for but items you'd never imagined existed: waterproof headphones and cases (good for depths up to 10 feet), a remote control with an FM radio built in, a international AC adapter, an iPod-docking alarm clock, and more - much more. Get this guide and start exploring!
