This definitive book takes a scriptural look at the offices of the apostle, prophet, and pastor in the Early Church and the Body of Christ today.

Ministry is a valuable part of the Kingdom. God anoints individuals in the Church with ministries and gifts to glorify Him. However, as the day of the Lord hastens, we find many believers entering into ministry with wrong motives. In addition, others are pursuing gifts for their own personal gain. We are members of the body of Christ. God places us in the Body to minister and serve one another. In this study, we will give believers a pure perspective for ministry.

This is a double book reprint. The first is The Reformation of the Glorious Church by Juanita Newman which examines the purpose and work of the five fold ministry in Ephesians 4:11. It is designed to be an overview of each ministry and to prepare the reader for more in depth study of this subject. The second book is Pastors Move Over by Glen Newman which not only looks at the five fold ministry in more depth, but also addresses the discrepancies between the modern institutional church and the first century Christian church.

God is calling the leaders of the church to submit to the Head of the Church and equip the saints to walk in maturity that the church may come into the unity of faith. This can only be accomplished when Five-Fold ministers understand their place and begin working together.
