Heart of the Fae is a unique retelling of the Beauty and the Beast tale and I loved it! I adored all of the creative twists that were applied throughout this story. For many Pagans, Beltane is traditionally a time when the veil between our world and that of the Fae is thin. In most European folktales, the Fae kept to themselves unless they wanted something from their human neighbors. It wasn't uncommon for a tale to relate the story of a human being who got too daring with the Fae—and ultimately paid their price for his or her curiosity!

Beauty and the Beast meets Irish mythology in this retelling of the beloved childhood story.

Every young woman dreams of marrying a king. Everyone except for me. Because the king I am to wed has razor sharp fangs and a thirst for blood. All my life I knew I'd come of age during the Hundred Year Reaping. According to the ridiculous treaty, two human girls are sent to the faelands as brides for the fearsome fae king and his devilish younger brother. Not me. I was supposed to be safe. Two girls were chosen from my village already. But when they are executed for offending the king, my sister and I are sent in their place. What a mess. Then again, maybe it's not so bad. The younger brother I'm paired with doesn't seem as monstrous as I'd expected. He's delightfully handsome too. But nothing compares to the chilling, dangerous beauty of the fae king. And when my sister flees the castle and her terrifying husband-to-be, I'm left to marry him instead. If I go through with this, I might not survive my wedding night. If I don't, no one is safe, neither human nor fae. An ancient war will return, bringing devastation we haven't seen in a thousand years. Can I sacrifice myself for the good of my people? Or will a dangerous desire be the death of me first? If I don't lose my heart, the king will certainly lose his. I'll carve it out with an iron blade if I have to. To Carve a Fae Heart is an enemies-to-lovers fantasy, perfect for fans of The Cruel Prince, ACOTAR, and The Iron King. If you like snarky fae, brooding fae royals, sizzling romance, and fierce heroines, you'll love this breathtaking fae fantasy.

When an opportunity arises to return to her beloved Fae Prince, she makes a questionable deal. Dark magic, druidic curses, and a witch open a portal and send her tumbling into the middle of a war she must end for the sake of all who dwell in the Otherworld. Saving the faeries will not be easy when she has become a woman they fear. The once banished king battles his way through the Otherworld, freeing the Lesser Fae with each swing of his sword. Each attack turns Eamonn into something far more bestly than before. Geodes multiply and hinder his movements, harden his heart, and crystalize his resolve. Together, they face the King of the Seelie Fae and his golden army to end the war that will change the fate of the Otherworld forever. "We were a family of three girls. By Chinese standards, that wasn't lucky. In Chinatown, everyone knew our story. Outsiders jerked their chins, looked at us, shook their heads. We heard things." In this profoundly moving novel, Fae Myenne Ng takes readers into the hidden heart of San Francisco's Chinatown, to the world of one family's honor, their secrets, and the lost bones of a "paper father." Two generations of the Leong family live in an uneasy tension as they try to fathom the source of a brave young girl's sorrow. Oldest daughter Leila tells the story: of her sister Ona, who has ended her young, conflicted life by jumping from the roof of a Chinatown housing project; of her mother Mah, a seamstress in a garment shop run by a "Chinese Elvis"; of Leon, her father, a merchant seaman who ships out frequently; and the family's youngest, Nina, who has escaped to New York by working as a flight attendant. With Ona and Nina gone, it is up to Leila to lay the bones of the family's collective guilt to rest, and find some way to hope again. Fae Myenne Ng's luminous debut explores what it means to be a stranger in one's own family, a foreigner in one's own neighborhood--and whether it's possible to love a place that may never feel quite like home.
