Heat is a book about two brothers, Carlos and Michael, and the challenges they have to conquer in order to succeed. The story is a drama about both friendship and baseball. There are many things I liked and I didn't like in the book. First of all, I enjoyed how the book did not let you know what would happen next.

The #1 Bestseller! Michael Arroyo has a pitching arm that throws serious heat along with aspirations of leading his team all the way to the Little League World Series. But his firepower is nothing compared to the heat Michael faces in his day-to-day life. If Social Services hears of their situation, they will be separated in the foster-care system—or worse, sent back to Cuba. Together, the boys carry on alone, dodging bills and anyone who asks too many questions. But then someone wonders how a twelve-year-old boy could possibly throw with as much power as Michael Arroyo throws. With no way to prove his age, no birth certificate, and no parent to fight for his cause, Michael ’ s secret world is blown wide open, and he discovers that family can come from the most unexpected sources. Perfect for any Little Leaguer with dreams of making it big--as well as for fans of Mike Lupica's other New York Times bestsellers Travel Team, The Big Field, The Underdogs, Million-Dollar Throw, and The Game Changers series, this cheer-worthy baseball story shows that when the game knocks you down, champions stand tall.

The #1 Bestseller! Twelve-year-old Danny Walker may be the smallest kid on the basketball court -- but don't tell him that. Because no one plays with more heart or court sense. But none of that matters when he is cut from his local travel team, the very same team his father led to national prominence as a boy. Danny's father, still smarting from his own troubles, knows Danny isn't the only kid who was cut for the wrong reason, and together, this washed-up former player and a bunch of never-say-die kids prove that the heart simply cannot be measured. For fans of The Bad News Bears, Hoosiers, the Mighty Ducks, and Mike Lupica's other New York Times bestselling novels Heat, The Underdogs, and Million-Dollar Throw, here is a book that proves that when the game knocks you down, champions stand tall.

From the #1 New York Times best-selling author of Travel Team, Heat and Million Dollar Throw comes a cheer-worthy, family-friendly novel about 14-year-old Jake Cullen, who lives in the shadows of his father and older brother until he becomes the starting quarterback for the high school football team and finally gets his chance to shine.

Even though his mother feels baseball ruined her marriage to his father, she allows fourteen-year-old Brian to become a bat boy for the Detroit Tigers, who have just drafted his favorite player back onto the team.

From the #1 New York Times bestselling author of Heat, Travel Team and Million-Dollar Throw. Playing shortstop is a way of life for Hutch—not only is his hero, Derek Jeter, a shortstop, but so was his father, a former local legend turned pro. Which is why having to play second base feels like demotion to second team. Yet that's where Hutch ends up after Darryl "D-Will" Williams, the best shortstop prospect since A-Rod, joins the team. But Hutch is nothing if not a team player, and he's cool with playing in D-Will's shadow—until, that is, the two shortstops in Hutch's life betray him in a way he never could have imagined. With the league championship on the line, just how far is Hutch willing to bend to be a good teammate?

The sequel to the #1 New York Times bestseller Travel Team! When you ’ re the smallest kid playing a big man ’ s game, the challenges never stop—especially when your name is Danny Walker. Leading your travel team to the national championship may seem like a dream come true, but for Danny, being at the top just means the competition tries that much harder to knock him off. Now Danny ’ s leaving Middletown for the summer and heading to Right Way basketball camp, where he ’ s out of his element and maybe out of his league. The country ’ s best ballers are in attendance, and Danny will need to raise his game if he wants to match up. But it won ’ t be easy. Old rivals and new battles leave Danny wondering if he really has what it takes to stand tall. " Lupica is at his best when he puts the reader right in the center of the action on the court. His game descriptions are fast, accurate, and exciting. Young sports-fiction fans will eat this up. " --Booklist " Sports fans will relish the on-court action, expertly rendered in Lupica's taut prose. This worthy sequel to Travel Team should earn a wide audience. " --School Library Journal " Lupica knows his basketball and knows how to spin a page-turner of a story. Those who enjoyed the first installment of Danny's story will be thrilled to read a sequel, and even those middle school readers who are not huge sports fans will want to cheer for Danny Walker, who proves that determination can be a whole lot bigger than height.
