"This manual contains overview information on treatment technologies, installation practices, and past performance."--Intro.

Celebrating 100 years of the iconic character and Aussie legend Ginger Meggs, these four brand new and original stories are written by Tristan Bancks, the great-great nephew of creator Jimmy Bancks, and illustrated in full colour by the current Ginger Meggs comic-strip cartoonist, Jason Chatfield. Kids and grown-ups alike will revel in the rambunctious adventures and comical capers of the ginger kid who never gets old.

A collection of humorous true stories by stand up comedians Mandy Nolan and Ellen Briggs.

Junya thinks Wednesdays are the best days, because that is when the garbage trucks come. A sweet and whimsical story from a child's perspective about the busy world outside his window. Junya loves to sit at his window and watch the goings-on in Rajah Street. He watches the clouds passing overhead, kookaburras singing and skateboarders zipping by. Today he is waiting for Wednesday. Wednesday is when the garbage trucks come, and garbage trucks are his favourite. Imaginative illustrations help capture the world through a three-year-old's perspective in this quirky slice-of-life story.

People may not be time travellers, but books are. Hypatia's Legacy describes the life of a dangerous book from first century Alexandria to the present day.
