Designed to accompany Physics, 8th Edition by John D. Cutnell, which was made for medical professionals who may struggle with making the leap to conceptual understanding and applying physics, the eighth edition continues to build transferable problem-solving skills. It includes a set of features such as Analyzing-Multiple-Concept Problems, Check Your Understanding, Concepts & Calculations, and Concepts at a Glance. This helps the reader to first identify the physics concepts, then associate the appropriate mathematical equations, and finally to work out an algebraic solution.
