Ashwagandha is an evergreen shrub that grows in India, the Middle East, and parts of Africa. Its roots and orange-red fruit have been used for hundreds of years for medicinal purposes. The herb is also called Indian ginseng or winter cherry. Ayurvedic medicine uses herbs, special diets, and other natural practices as treatment for a variety of conditions. In Ayurvedic medicine, ashwagandha is considered a Rasayana. That means it's an herb that helps maintain youth, both mentally and physically. Ashwagandha is used for arthritis, anxiety, bipolar disorder, attention deficit hyperactivity disorder (ADHD), balance, obsessive-compulsive disorder (OCD), trouble sleeping (insomnia), tumors, tuberculosis, asthma, a skin condition marked by white patchiness (leukoderma), bronchitis, backache, fibromyalgia, menstrual

problems, hiccups, Parkinson's disease, under-active thyroid (hypothyroidism), and chronic liver disease. Antioxidant can help treat many of these.

An essential guide to the classic Honda Gold Wing models

I can't think of anywhere I'd less like to be than in a car. When you're driving a car, you're not taking part, you're a spectator. You're in a can; if it's cold you turn up the heating, if you're hungry you have a wine gum. You might be looking at what's going on, but you're definitely not a part of it. A BIKER'S LIFE is the dramatic, humorous and candid memoir of one of the most recognisable names in motorcycling. Henry Cole's passion for motorbikes began when, at the age of eight, he was first introduced to a 'man cave'. His great-uncle Redbeard's corrugated iron shed was 'stuffed to the gills with old motorbikes' which Henry helped rebuild and ride. Since then, Henry's life can be charted through the bikes and journeys he has been on - from a stifling public-school education, via many years battling addiction, to the big-sky iconic routes Henry has ridden for over twenty series as presenter of numerous TV shows. This book reminds millions of motorcyclists why their bike gives them the freedom to be exactly who they want to be: to say 'I'm doing my thing.' When you ride a motorbike you become part of a worldwide community of kindred spirits - those of us who will not be pacified by driving a car, but instead live for adventure, escape and the sheer thrill of the throttle.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.
