sports V-twin. Honda's first venture into the V-twin engine market, with water cooling and shaft drive, was certainly different from their previous twin- and four-cylinder models.

Motorcycle Classics - HOW TO RESTORE HONDA CX500 & CX650

Honda CX500 with single-sided exhaust. Thankfully, there are so many Honda CX500s being customised – probably because they look so much like a Moto Guzzi but with (supposedly) reliable electrics – there are plenty of readymade seats to choose from. We eventually chose a brown leather cafe seat from Motorcycle Seats Direct in the US.

Honda CX500: To restore or customise? - Motorbike Writer

From dismantling, sourcing and restoring parts, to spray painting, decals and polishing. From the rebuild itself, to general maintenance and riding safety, this is the only restoration manual you'll need.

Remember the smell of Castrol R at a 1960s scramble? Or riding a 1970s trials bike through every type of natural obstacle possible? If you want to revisit those memories, or relive the competition of earlier times, this book is for you. Buying, restoring, and riding classic off-road competition bikes is now something that you can do! This book gives enthusiasts of classic off-road competition motorcycles a step-by-step guide to a full restoration. Covering dismantling the motorcycle and its components, restoring and sourcing parts, paint spraying, decals and polishing. With chapters covering engine, frame, forks, fuel, exhaust, seat, brakes and tyres, you'll see how to take a bike from scratch to a full rebuild; then on to safe set-up and general maintenance. Includes chapters focussing specifically on pre-65 and twin shock models.

Whether it be an entry level GT380, or a ground-breaking water-cooled GT750, this step-by-step full restoration guide covers it, from dismantling, sourcing

parts, spraying and decals, to polishing, safe set-up and general maintenance. Even riding safely and storage are covered, making this a must-have guide for all Suzuki Triple enthusiasts.

Packed with restoration know-how on all kinds of interior fittings in your classic car: carpets, headlinings, seats, wood and synthetic material parts, instruments, steering wheels: even how to succeed in making your radio sound just like new! Includes reproduction of parts on a 3D printer.

This is the first book to solely concentrate on the British-powered café racer motorcycle. Renewed interest in custom British café conversions is illustrated with stunning images of select sporting, racing, and 'café'd' British motorcycles. From single-cylinder to four-cylinder variants – see the 'café'd' side of British bikes!

Despite only nine years of production, Vincents continue to be ridden regularly in rallies, hard in racing, and certainly well beyond the normal lifespan of a motorcycle. This book tells the Vincent story from 1946 until the present day, including the stories of those significant individuals who helped to make Vincents such legendary machines.

Racing Line is the story of big-bike racing in Britain during the 1960s – when the British racing single reached its peak; when exciting racing unfolded at circuits across the land every summer; and when Britain took its last great generation of riding talent and engineering skill to the world.

Eighteen million Vespas have buzzed their way into the world since 1946. Stood end to end, they would form a line measuring 32,000 kilometres – 20,000 miles – in length. This is an almost inconceivable statistic, as with many things that transcend conventional measures and at some point achieve cult status. How did the little machine come so far? The answer is simple. The Vespa has always remained the Vespa, true to itself, and has what others lack: real character! This book tells the Vespa's story via over 470 photos, corrects many misconceptions and lets the reader become immersed in the culture of Vespa and la bella vita.

A veteran motoring journalist's extraordinary life, told through delightfully eccentric stories and charming diary extract. This unique book is packed with fascinating stories about classic cars and motorcycles, set in a bygone world, and properly fixed in time. (Fiction.)

There have been plenty of books published about Italian motorcycles, and a few covering the café racer genre, but none has covered the evolution of the Italian sportsbike into the Italian café racer – until now. Coming from a nation with a great motorcycle racing heritage, Italian motorcycles have, unsurprisingly, always had a sporting flair. This book lifts the lid on the growing trend of custom Italian café conversions, illustrated in detail with stunning images of select sporting, racing, and café'd Italian motorcycles. Italian Café Racers celebrates stunning Italian bikes from all over the globe. From the old to the modern, from horizontal-singles to inline sixes, this book reveals these stylish machines in all their innovative glory. Whether you're an enthusiast, a follower of the café racer culture, or simply appreciate beautiful bikes, this book is guaranteed to interest and inspire ... see the 'café'd' side of Italian bikes.
