Earlier this year, VIZ Media released The Art of Howl's Moving Castle, a hardbound, prestige format book which exists as an essential companion to Hayao Miyazaki's latest animated classic. To further complement the movie-going experience, we are now proud to present the Howl's Moving Castle Picture Book, a companion publication wedding scene-by-scene film footage with character dialogue in one handsome volume. Based on the young-adult novel by British author Diana Wynne Jones, Howl's Moving Castle reflects on a wondrous time when science and magic captured the spirit of 19th century Europe. The story of Howl's Moving Castle is the story of a young girl who is magically transformed into a 90-year-old woman. Undaunted by this curse, her continuing adventures introduce her to the vainglorious wizard Howl and his curious castlemates. Two years ago, VIZ Media released a similar book inspired by Spirited Away, the movie which garnered an Academy Award for director Hayao Miyazaki. Another picture book for My Neighbor Totoro is planned for later this year. Now, add Howl's Moving Castle to this list of must-have movie books. Director Hayao Miyazaki is a master storyteller and his films have all become classics of animation. There's no better way to preserve the magic of Howl and his flying castle than by adding this delightful volume to your

One of the most memorable and irresistible characters in all of literature—the Wizard Howl—is introduced in Diana Wynne Jones's classic fantasy novel *Howl's Moving Castle* and makes guest appearances in two stand-alone sequel novels, *Castle in the Air* and *House of Many Ways*. *Howl's Moving Castle* was adapted into an acclaimed and Academy Award-nominated film of the same name, produced by Studio Ghibli and directed by Hayao Miyazaki. Sophie Hatter never intended to set out and seek her fortune. The eldest of three sisters, Sophie thought she was destined to fail. That all changed the day the Witch of the Waste turned her into an old woman. In order to lift the spell, Sophie barges into Wizard Howl's moving castle and strikes a bargain with Calcifer, his fire demon. But Howl is outrunning a curse of his own, and soon Sophie realizes that nothing is as it appears. . . . Howl, Sophie, and Calcifer return in both *Castle in the Air* and *The House of Many Ways*, two stand-alone sequels full of mayhem, secrets, and magic.

Sophie has the great misfortune of being the eldest of three daughters, destined to fail miserably should she ever leave home to seek her fate. But when she unwittingly attracts the ire of the Witch of the Waste, Sophie finds herself under a horrid spell that transforms her into an old lady. Her only chance at breaking it lies in the ever-moving castle in the hills: the Wizard Howl's castle. To untangle the enchantment, Sophie must handle the heartless Howl, strike a bargain with a fire demon, and meet the Witch of the Waste head-on. Along the way, she discovers that there's far more to Howl—and herself—than first meets the eye.
