in the main textbook.

This classic, readable book does the best job at covering the current issues within HRM, and provides a complete, comprehensive review of essential

# Where To Download Human Resource Management

personnel management concepts and techniques. Considering the intensely competitive nature of business today, this book focuses on practical applications that all managers can use to deal with their HR-related responsibilities, while being able to defend their plans and contributions in measurable terms. A five-part format begins with an introduction, and then covers recruitment and placement, training and development, compensation, and labor relations and employee security. For all human resource personnel and managers.

Human Resource Management provides readers with a complete,

# Where To Download Human Resource Management

Comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form.

Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing
