I KILL GIANTS co-creator KEN NIMURA (International Manga Award winner and Eisner nominee) brings a unique vision of life in Japan to the page in HENSHIN. The lives of a kid with peculiar superpowers, a lonely girl discovering herself in the big city, and a businessman on a long night out are some of the short stories included in this collection that will make you laugh, and even maybe shed a tear. Explore Tokyo as you've never seen it before under NIMURA's masterful and imaginative storytelling.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy!an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack!who has already killed Bod's family.

Harry Potter and the Deathly Hallows is the seventh and final novel of the Harry Potter series, written by British author J. K. Rowling. The book was released on 21 July 2007 by Bloomsbury Publishing in the United Kingdom, in the United States by Scholastic, and in Canada by Raincoast Books, ending the series that began in 1997 with the publication of Harry Potter and the Philosopher's Stone. The novel chronicles the events directly following Harry Potter and the Half-Blood Prince (2005), and the final confrontation between the wizards Harry Potter and Lord Voldemort. Rowling finished writing Harry Potter and the Deathly Hallows in January 2007. Before its release, Bloomsbury reportedly spent 10 million to keep the book's contents safe before its release date. American publisher Arthur Levine refused any copies of the novel to be released in advance for press review, although two reviews were submitted early. Shortly before release, photos of all 759 pages of the U.S. edition were leaked and transcribed, leading Scholastic to look for the source that had leaked it. Released globally in 93 countries, Deathly Hallows broke sales records as the fastest-selling book ever, a record it still held in 2012.[3] It sold 15 million copies in the first 24 hours following its release, including more than 11 million in the U.S. and UK alone. The previous record, 9 million in its first day, had been held by Harry Potter and the Half-Blood Prince. The novel has also been translated into over 120 languages.*

The narrator and his brother become fascinated with fly fishing and the Big Blackfoot River

In a 25th anniversary, behind-the-scenes account of the making of the cult-classic film, the lead actor shares never-before-told stories and exclusive photographs as well as interviews with Robin Wright, Billy Crystal and more. 100,000 first printing.

!An intense, provocative, and vital crime story that excavates paradoxical dimensions of race, class, sexism, family bonds, and social obligation while seeking the deepest meaning of the law." | Booklist Originally published posthumously by his daughter and literary executor Julia Wright, A Father's Law is the novel Richard Wright, acclaimed author of Black Boy and Native Son, never completed. Written during a six-week period prior to his death in Paris in 1960, it offers a fascinating glimpse into the writer's process as well as providing an important addition to Wright's body of work. In rough form, Wright expands the style of a crime thriller to grapple with themes of race, class, and generational conflicts as newly appointed police chief Ruddy Turner begins to suspect his own son, Tommy, a student at the University of Chicago, of a series of murders in Brentwood Park. Under pressure to solve the killings and prove himself, Turner spirals into an obsession that forces him to confront his ambivalent relationship with a son he struggles to understand. Prescient, raw, and powerful, A Father's Law is the final gift from a literary giant. !We can be grateful for what [Wright] left behind and for what this book gives us to contemplate.!! | Washington Post Book World

A warm, intimate portrait of Jackie Robinson, America's sports icon, told from the unique perspective of a unique insider: his only daughter. Sharon Robinson shares memories of her famous father in this warm loving biography of the man who broke the color barrier in baseball. Jackie Robinson was an outstanding athlete, a devoted family man and a dedicated civil rights activist. The author explores the fascinating circumstances surrounding Jackie Robinson's breakthrough. She also tells the off-the-field story of Robinson's hard-won victories and the inspiring effect he had on his family, his community. . . his country! Includes never-before-published letters by Jackie Robinson, as well as photos from the Robinson family archives.

The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An instant bestseller that is poised to become a classic, Moonwalking with Einstein recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top "mental athletes." He draws on cutting-edge research, a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of our memories.
