I Remember You by Harriet Evans, Paperback | Barnes & Noble®

"I remember you" is the first book that I have read by Harrett Evans and I did like it. I have to admit that was expecting it to another chick-lit, but it seem that most of the story was taken up subplot about the secret. Overall "I remember you" as a good story and I would likly more by Ms. Evans in the future

I Remember You Harriet Evans - download.truyenyy.com

I've loved Harriet Evans' other three books and was looking forward to this one - but what a disappointment! It reads like a book that was completed in a hurry to meet a deadline, and edited without much thought. The book starts well, with all the usual romance and humor you would expect of an Evans novel.

Internationally bestselling author Harriet Evans gives readers "the perfect girl read" (Cosmopolitan, UK) in this fun, bittersweet, and irresistibly surprising journey of fresh starts and first loves. Twelve years in bustling London have left Tess Tennant dumped by her boyfriend, out of work, and miserable. Still, maybe taking a new job as a classics professor at the tiny college in her picture-perfect hometown in the English countryside was a bit drastic. Langford's stone cottages, quaint shops, and lifelong locals feel even smaller than she remembered, but at least Tess has Adam, her best and oldest friend. On a spontaneous birthday adventure back to the city, though, their painful and heartbreaking past forces them into an angry confrontation. Tess escapes to Rome on a class trip and falls unexpectedly into the arms of Peter, a charming American journalist. . . . until a tragedy cuts her vacation short. Back home and alone, Tess must slowly unravel her feelings about her secretive best friend, the romantic new lover she barely knows, and the independent woman she really wants to be.

In her blockbuster international bestsellers, Harriet Evans perfectly captures the complex lives of young twenty-first-century career women with an "effortlessly readable. . . comic style and loveable characters" (Marie Claire, UK). At twenty-two, Eleanor Bee is sure about three things: she wants to move to London and become a literary superstar; she wants to be able to afford to buy a coffee and croissant every morning; and after seeing what divorce did to her parents—especially her mum—she doesn't believe in happy endings. Elle moves to London. She gets a job at Bluebird Books, a charmingly old-fashioned publisher. She falls out of bars, wears too-short skirts, makes lots of mistakes, and feels like she's learning nothing and everything at the same time. And then, out of the blue, she falls in love, and that's when she realizes just how much growing up she has to do. Ten years on, Elle lives in New York, and you could say she has found success; certainly her life has changed in ways she could never have predicted. But no matter where you go and how much you try to run away, the past has a funny way of catching up with you. . . .

From the author of *A Hopeless Romantic* and *Going Home* comes an engaging new novel about a young woman who suffers loss and heartbreak—only to regain a chance at happiness when she least expects it. Thirty-year-old Kate Miller fled London two years ago when her life fell apart spectacularly. Living in New York with her mother and stepfather and working half-heartedly as a literary agent, Kate must return to London when her father, a famous classical musician, undergoes a kidney transplant. She's only returning for a short visit, or so she thinks. But once in London, she faces the friends who are bouning with her forever as a result of one day when life changed for all of them. What really happened before Kate left London? And can she pick up the pieces and allow herself to love her own life again? Witty, smart, and entertaining, Evans's heartwarming tale, which was a bestseller in the United Kingdom earlier this year, will delight readers who enjoy novels by Cathy Kelly, Hester Browne, and Marian Keyes.

Don't miss the STUNNING new novel from Sunday Times bestselling author, Harriet Evans - THE BELOVED GIRLS is published on 19 August and is available to pre-order now! 'Spellbinding' Independent 'My top book of 2019' DINAH JEFFRIES 'Her best yet' i newspaper 'Gripping' Irish Times 'Gorgeous' VERONICA HENRY 'A poignant story of love and loss' Daily Mail MUST READS 'I can't remember the last time I was so enthralled' Red 'Epic, absorbing ... full of intrigue and emotion' Fabulous 'A sweeping novel you won't put down' Katie Forde Who would choose to destroy what they love the most? Nightingale House, 1919. Liddy Horner discovers her husband, the world-famous artist Sir Edward Horner, burning his best-known painting The Garden of Lost and Found days before his sudden death. Nightingale House was the Horner family's beloved home - a gem of design created to inspire happiness - and it was here Ned painted The Garden of Lost and Found, capturing his children on a perfect day, playing in the rambling Eden he and Liddy made for them. One magical moment. Before it all came tumbling down... When Ned and Liddy's great-granddaughter Juliet is sent the key to Nightingale House, she opens the door onto a forgotten world. The house holds its mysteries close but she is in search of answers. Something shattered this corner of paradise. But what? Lose yourself in this unputdownable tale of the enduring power of family love, told by three generations of extraordinary women. . . Readers love The Garden of Lost and Found 'This sweeping tale is by turns painfully sad and heart-lifting, with characters that stay with you' 'Good Housekeeping 'Evans' storytelling feels both authentic and satisfying. An immersive mystery' *Woman & Home* 'Evans tells a poignant tale of the Horner family and their magical, mysterious country home' *Woman* 'Engrossing and clever and funny and beautifully observed. . . I recommend it wholeheartedly' *Clothes in Books* *blog*

Major international bestseller and critically acclaimed author Harriet Evans weaves an "absorbing tapestry...with a comic touch even in the midst of tragedy" (Kirkus Reviews) in this stunning family drama that will surprise you at every turn. When Martha, a wife and mother of three, sits down one late summer's morning to write out the invitations to her eightieth birthday celebration, she knows that what she is planning to reveal at the party could ruin the idyllic life she and her husband, David, have spent more than fifty years building. But her family must know what she and David have sacrificed. She cannot live a lie anymore. The invitation goes out far and wide, calling her children and grandchildren back home to Winterfold, their rambling house in the heart of the English countryside. Bill, a doctor, was once a sweet, serious boy, eager to help his mother, but he's not the man Martha thought he'd become. Florence—passionate, intellectual, one might say a little eccentric—is now an art history professor in Italy. And Daisy, the dark heart of the family, left years ago to be a charity worker abroad and never really came home. The reunion becomes a catalyst for a cascade of shocking secrets and unexpected events as the Winters grapple with the joy and the pain of the past.

From the bestselling author of *Going Home*, which Sophie Kinsella hailed as "fabulous," comes a novel sure to touch and delight anyone who believes in love. Laura Foster is a hopeless romantic. Her friends know it, her parents know it—even Laura acknowledges she lives either with her head in the clouds or buried in a romance novel. It's proved harmless enough, even if it hasn't delivered her a real-life dashing hero yet. But when her latest relationship ends in a disaster that costs her friendships, her job, and nearly her sanity, Laura swears off men and hopeless romantic fantasies for good. With her life in tatters around her, Laura agrees to go on vacation with her parents. After a few days of visiting craft shops and touring the stately homes of England, Laura is ready to tear her hair out. And then, while visiting grand Chartley Hall, she crosses paths with Nick, the sexy, rugged estate manager. She finds she shares more than a sense of humor with him—in fact, she starts to think she could fall for him. But is Nick all he seems? Or has Laura got it wrong again? Will she open her heart only to have it broken again?

'I adored The Wildflowers. A sweeping, epic, moving read' *Marian Keyes*/font size The new novel by Sunday Times bestseller Harriet Evans will transport you to a Dorset beach house, where you can feel the sand between your toes. Enter the home of Tony and Althea Wilde - the Richard Burton and Elizabeth Taylor of their generation and with a marriage every bit as stormy. This glorious tale of tangled family secrets and lies will leave you warm and glowing. font size="4">"A wonderful, engrossing novel, full of the most vivid characters and a truly memorable setting. A triumph" *Sophie Kinsella* 'She reels you in and then you're hooked, right to the last page' *Patricia Scanlan* 'Atmospheric and altogether wonderful' *Lesley Pearse* 'I love it on so many levels, the immense feeling of place, the slow, irresistible sense of being drawn deep into the family and its story, and the strange hovering of menace somewhere in the idyll. Wonderful! Penny Vincenzi 'Her characters are finely drawn and as the story hops back and forth from the Second World War to the present day, the reader becomes deeply immersed in this charismatic family's fortunes. The result is that rare and lovely thing, an all-engaging and all-consuming drama' *Daily Mail* *Tony and Althea Wilde*. Glamorous, argumentative ... adulterous to the core. They were my parents, actors known by everyone. They gave our lives love and colour in a house by the sea - the house that sheltered my orphaned father when he was a boy. But the summer Mads arrived changed everything. She too had been abandoned and my father understood why. We Wildflowers took her in. My father was my hero, he gave us a golden childhood, but the past was always going to catch up with him ... it comes for us all, sooner or later. This is my story. I am Cordelia Wilde. A singer without a voice. A daughter without a father. Let me take you inside. *Harriet Evans* is 'perfect for fans of Jojo Moyes and Maeve Binchy' *Best*

From internationally bestselling author Harriet Evans comes an intriguing and fresh new novel about a famous modern-day actress whose fate becomes intertwined with a glamorous movie star from the 1950s who vanished many years earlier. HOW CAN THE WHOLE WORLD KNOW YOU WHEN YOU HARDLY KNOW YOURSELF? Sophie Leigh's real name is Sophie Sykes. But she hasn't been called that for years, not since she became an A-list movie star. Living in Los Angeles, she can forget all about the life she left behind in England. But she's lost something of herself in the process, too. Glamorous 1950s starlet Eve Noel had none of Sophie's modern self-confidence. She didn't choose her name. A Hollywood producer did. In fact, he made all her decisions—what to wear, when to smile, who to love. Right up until the day she simply vanished from the spotlight. No one knows where she went, or why. As Sophie's perfect-on-the-outside world begins to crumble, her present collides with Eve's past. She must unravel the mystery around her idol's disappearance before it's too late for them both.

A compelling and heartrending tale of lost love, family secrets, and those little moments that can change your life forever. . . . When Natasha Kapoor returns to her grandparents' idyllic coastal home for her beloved grandmother's funeral, her life is at a turning point. She thought by now she'd be a successful jewelry designer in London with a perfect marriage. Instead, she's got mounting bills and a soon-to-be ex. After the funeral, Natasha's grandfather gives her the long-lost diary of her aunt Cecily. No one in her large and complicated family has ever discussed the tragic accident that took Cecily's life as a teenager, and within the diary's pages, Natasha finds a gripping and shocking tale of forbidden love, rivalry, and heartbreak. Nearly fifty years later, will Cecily's diary finally explain her family's dark past and the terrible secret her aunt left behind? Is it possible it's just the inspiration Natasha needs to take a fresh look at her future, and maybe even give love a second chance? Fans of Jennifer Weiner and Emily Giffin will get hooked on internationally bestselling author Harriet Evans's warm, witty, and absorbing novel filled with original, rootworthy characters and complex family issues.

'A gorgeous epic. . . . Wholly absorbing. I adored it' *MARIAN KEYES* 'This sweeping, absorbing story is a treat' *ADELE PARKS* 'A compelling story of female friendship, dark secrets and family bonds that pulls you in and won't let go' *ROSANNA LEY* 'If you love atmospheric stories about old houses, families and secrets, this is for you' *GOOD HOUSEKEEPING* 'A gorgeous story to get immersed in' *Prima BY SUMMER'S END, THERE WILL BE ONLY ONE. . . . It's a funny old house. They have this ceremony every summer. . . . There's an old chapel, in the grounds of the house. Half-derelict. The Hunters keep bees in there. Every year, on the same day, the family processes to the chapel. They open the combs, taste the honey. Take it back to the house. Half for them - my father winced, as though he had bitten down on a sore tooth. "And half for us." Catherine, a successful barrister, vanishes from a train station on the eve of her anniversary. Is it because she saw a figure - someone she believed long dead? Or was it a shadow cast by her troubled, fractured mind? The answer lies buried in the past. It lies in the events of the hot, seismic summer of 1989, at Vanes - a mysterious West Country manor house - where a young girl, Jane LeStrange, arrives to stay with the gilded, grand Hunter family, and where a devastating tragedy will unfold. Over the summer, as an ancient family ritual looms closer, Janey falls for each member of the family in turn. And she and Kitty, the eldest daughter of the house, will forge a bond that decades later, is still shaping the present. . . . 'We need the bees to survive, and they need us to survive. Once you understand that, you understand the history of Vanes, you understand our family.' Bewitching, beguiling and utterly beautiful, *The Beloved Girls* will pull you into their mysterious and enchanted world and never let you go. With a cast of compelling characters and a labyrinthine plot, it's a page-turner of the most luxurious kind - a real escape.' *VERONICA HENRY* *Compelling, immersive and luxurious, THE BELOVED GIRLS is the outstanding new novel from the Sunday Times Top Ten bestselling author of The Garden of Lost and Found and your perfect summer escape.**
