Janet Burroway's bestselling Imaginative Writing: The Elements of Craft explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing, Burroway brings her years of teaching and writing to this book. "Try-This" exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. "Working toward a draft" exercises encourage writers to develop their ideas into complete drafts. In response to reviewer requests, the preface "Invitation to the Writer" has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price!

[This book] discusses the elements of craft - image, voice, character, setting, and story - from a multi-genre perspective. Presenting the craft before the genre, this guide and anthology helps students understand the creative techniques shared by all forms of imaginative writing before individually exploring Essay, Fiction, Poetry, and Drama. With an emphasis on technique and experimentation and development and revision, [this book] encourages a sense of enthusiastic play and adventure. -Back cover.

"In the fourth edition of Imaginative Writing I have tried to refine and focus several features of the book without fundamentally changing its purpose, which is to provide a workable and energizing multigenre text for basic creative writing courses" - Preface (page xii)

This covers all four genres: creative nonfiction, fiction, poetry, and drama. This textbook discusses elements of craft common to all creative writing before delving into the individual genres. After an introduction, the next five chapters each investigate a specific element of craft-Image, Voice, Character, Setting, and Story-from a perspective that crosses all genres. Nearly half of the selections in all four genres are new. New "Try This" exercises give students plenty of practice. Imaginative Writing is a very popular book for courses on teaching the craft of creative writing.

Language, literature and biography.

THE COLLEGE HANDBOOK OF CREATIVE WRITING is a best-selling textbook designed for all creative writing courses. Covering fiction, poetry, and drama, it explores such across-the-genres subjects as theme, setting, characters, plot, point of view, tone, style, description, dialogue, thoughts, time, images, and sounds. There are also useful chapters on The Performance Factor, Fundamentals of Writing, and Writing as a Career, which includes sample listings of jobs for writers. Contemporary and classic selections serve to illustrate discussions and act as models to promote the writing process, and are followed by exercises and writing suggestions at the end of each chapter. A glossary of literary terms and a bibliography complete this concise textbook, resulting in a design that allows for a maximum of information in a portable little book.

Beginning with "The Writer's Wonderland-Or: A Warning" and ending with "You've Published a Book-Now What?" The Creative Writer's Survival Guide is a must-read for creative-writing students and teachers, conference participants, and aspiring writers of every stamp. Directed primarily at fiction writers but suitable for writers of all genres, John McNally's guide is a comprehensive, take-no-prisoners blunt, highly idiosyncratic, and delightfully subjective take on the writing life. McNally has earned the right to dispense advice on this subject. He has published three novels, two collections of short fiction, and hundreds of individual stories and essays. He has edited six anthologies and worked with editors at university presses, commercial houses, and small presses. He has earned three degrees, including an MFA from the Iowa Writers' Workshop, and taught writing to thousands of students at nine different universities. But he has received far more rejections than acceptances, has endured years of underpaid adjunct work, and is presently hard at work on a novel for which he has no guarantee of publication. In other words, he's been at the writing game long enough to rack up plenty of the highs and lows that translate into an invaluable guide for anyone who wants to become a writer or anyone who is already a writer but doesn't know how to take the next step toward the writing life. In the sections The Decision to Become a Writer, Education and the Writer, Getting Published, Publicity, Employment for Writers, and The Writer's Life, McNally wrestles with writing degrees and graduate programs, the nuts and bolts of agents and query letters and critics, book signings and other ways to promote your book, alcohol and other home remedies, and jobs for writers from adjunct to tenure-track. Chapters such as "What Have You Ever Done That's Worth Writing About?" "Can Writing Be Taught?" "Rejection: Putting It in Perspective," "Writing as a Competitive Sport," "Seven Types of MLA Interview Committees," "Money and the Writer," and the all-important "Talking about Writing vs. Writing" cover a vast range of writerly topics from learning your craft to making a living at it. McNally acts as the writer's friendly drill sergeant, relentlessly honest but bracingly cheerful as he issues his curmudgeonly marching orders. Alternately cranky and philosophical, full of to-the-point anecdotes and honest advice instead of wonkish facts and figures, The Creative Writer's Survival Guide is a snarky, truthful, and immensely helpful map to being a writer in today's complex world.

Annie Dillard, Grace Paley, and Lee Gutkind are among more than thirty writers and teachers affiliated with the Associated Writing Programs who use examples from his or her own work to introduce the craft of creative nonfiction.

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div
