Want to make a move but scared to leave your comfort zone? Go anyway. □ Jessica's perspective of global sisterhood and the power of lifting each other up in the midst of fear and scarcity is exactly what we need today. This book is both an invitation and a challenge to bravely show up for ourselves, for the people we love, and for the strangers that we will one day call family. I say, Amen! □ Brené Brown, Ph.D., Author of the #1 New York Times bestseller *Braving the Wilderness In Imperfect Courage*, the founder of the popular fair trade jewelry brand Noonday Collection shares her story of starting the rapid-growing business that impacts over 4,500 artisans in vulnerable communities across the globe □ and invites readers on a journey of transformation, challenging them to

trade their comfort zones for a life of impact and adventure. In 2015, Inc. magazine recognized Noonday Collection as one of the fastest-growing companies in America. But years earlier, as Jessica Honegger stood at a pawn-shop counter in Austin, Texas, and handed over her grandmother's gold jewelry, her goal was much more personal: to fund the adoption of her Rwandan son, Jack, by selling artisan-made jewelry. This first step launched an unexpected side-hustle that would grow into Noonday Collection. Jessica embarked on this new journey and teamed up with her first artisan partner, Jalia, a Ugandan jewelry maker. She saw the meaningful impact Noonday brought to Jalia's community and knew it was the right move. Fear crept into Jessica's heart as she realized her success, or

failure, meant the same for Jalia. But refusing to let fear hinder her goals, Jessica found the necessary (if imperfect) courage she needed along the way--the courage to leave comfort and embrace a life of risk and impact. Susan Cain, New York Times bestselling author of *Quiet*: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In *Love for Imperfect Things*, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things--including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of *The Things You Can See Only When You Slow Down* Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems,

sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself--and the flaws that make you who you are--can you have compassionate and fulfilling relationships with your partner, your family, and your friends. By the time she was eleven and living in the Soviet Union, Lee Kofman had undergone several major operations on both a defective heart and injuries sustained in a bus accident. Her body harbours a constellation of disfiguring scars that have shaped her sense of self and her view of the world. But it wasn't until she moved to Israel and later to Australia that she came to think these markings weren't badges of honour to flaunt but were, in fact, imperfections that needed to be hidden away. In a captivating mix of

memoir and cultural critique, Kofman casts a questioning eye on the myths surrounding our conception of physical perfection and what it's like to live in a body that deviates from the norm. She reveals the subtle ways we are all influenced by the bodies we inhabit, whether our differences are pronounced or noticeable only to ourselves. She talks to people of all shapes, sizes and configurations and takes a hard look at the way media and culture tell us how bodies should and shouldn't be. Illuminating, confronting and deeply personal, *Imperfect* challenges us all to consider how we exist in the world and how our bodies shape the people we become.

This revised and updated edition of *The Wabi-Sabi House* recounts the history of this aesthetic philosophy and reveals ways to introduce it into your home. The ancient Japanese philosophy of wabi-sabi is about appreciating simplicity and letting go of the superficial—the perfect antidote to modern consumerism and perfectionism. In 2004, author Robyn Griggs Lawrence helped popularize wabi-sabi in North America with her book *The Wabi-Sabi House*. In *Simply Imperfect*, Lawrence shows that wabi-sabi is far more than a style of home
