A stunning work on contemporary fashion spectacles, showcasing the most innovative, creative, and artistic high-fashion runway shows of the last twenty years. In recent years, as fashion shows have become a part of our collective imagination and an important part of contemporary culture, blockbuster productions have redefined the runway show as a form of entertainment and creativity on par with the clothes themselves. This book focuses on designers for whom fashion and the mode of presenting it have held equal significance: Alexander McQueen, Martin Margiela, Hussein Chalayan, Viktor & Rolf, Marc Jacobs, Karl Lagerfeld at Chanel, Raf Simons, Thom Browne, and Imitation of Christ, among them. From the performance art spectacles of the first Alexander McQueen collections in the mid-1990s and the high-art concept shows of Hussein Chalayan in the late 1990s to the lavish beauty of Chanel haute couture in 2012, author Alix

Browne explores the highest pinnacles of fashion today. Runway gives the reader full access to the theatrical and creative aspects of the production, in both intimate, little-seen runway shows from the pre-Internet era—many of the photographs here have never been published before—as well as major productions with elaborate sets and full-blown narrative. A thrilling, immersive, and inspiring look into the wide-ranging creativity of contemporary fashion, Runway is the most thorough book available on the subject. Featuring the most innovative fashion designers of the last twenty years, this book is a must for lovers of fashion and culture.

New York Fashion Week has served many purposes throughout its long history, but it has always remained at the center of the American fashion world. During World War II, Fashion Week challenged the dominance of French couture; in the 1970s and 1980s, it was a showcase for American sportswear stars who became household names; in the 2000s, it was the stage for celebrity designers using the runway as a vehicle for entertainment; and now, it is the place to see and be seen by contemporary reality TV and social media stars. Now, this illustrious history is told as it's never been told before, in a book packed with designer interviews, backstage ephemera, and exclusive photographs culled from all 75 years of New York Fashion Week. Part historical overview, part scrapbook, and part fashion-industry field guide, American Runway will bring to life the people, places, and over-the-top runway productions of New York Fashion Week—and will sate the appetites of die-hard fashion fans and casual fashionistas alike.

Project Runway meets Fame in a trendy new series from the authors of The Cupcake Club 1. Balloons 2. Spaghetti 3. Rainbows If you were to ask Mickey Williams, these would not be her top points of inspiration for designing a party dress. But in fashion, the client is always right...and Mickey's client happens to be fashion legend Victoria Vanderweil's five-year-old granddaughter. Even though it's the toughest assignment Mickey's gotten during her time at the Fashion Academy of Brooklyn, she can't pass up the opportunity to impress a top designer like Victoria. But when Cordy turns out to be a tiny terror with non-stop demands, the assignment goes from hard to impossible. Not only that, but Victoria wants Mickey to babysit Cordy during NYC Fashion Week! Can Mickey pull off her project and pass, or will it fall apart at the seams? See how it all began in The Fashion Academy!

A fascinating chronicle of how celebrity has inundated the world of fashion, realigning the forces that drive both the styles we covet and the bottom lines of the biggest names in luxury apparel. From Coco Chanel's iconic tweed suits to the miniskirt's surprising comeback in the late 1980s, fashion houses reigned for decades as the arbiters of style and dictators of trends. Hollywood stars have always furthered fashion's cause of seducing the masses into buying designers' clothes, acting as living billboards. Now, forced by the explosion of social media and the accelerating worship of fame, red carpet celebrities are no longer content to just advertise and are putting their names on labels that reflect the image they—or their stylists—created. Jessica Simpson, Jennifer Lopez, Sarah Jessica

Parker, Sean Combs, and a host of pop, sports, and reality-show stars of the moment are leveraging the power of their celebrity to become the face of their own fashion brands, embracing lucrative contracts that keep their images on our screens and their hands on the wheel of a multi-billion dollar industry. And a few celebrities—like the Olsen Twins and Victoria Beckham—have gone all the way and reinvented themselves as bonafide designers. Not all celebrities succeed, but in an ever more crowded and clamorous marketplace, it's increasingly unlikely that any fashion brand will succeed without celebrity involvement—even if designers, like Michael Kors, have to become celebrities themselves. Agins charts this strange new terrain with wit and insight and an insider's access to the fascinating struggles of the bold-type names and their jealousies, insecurities, and triumphs. Everyone from industry insiders to fans of Project Runway and America's Next Top Model will want to read Agins's take on the glitter and stardust transforming the fashion industry, and where it is likely to take us next.

A fashion show usually lasts between 7 and 20 minutes a brief span of time that hides a long process with lots of preparation and production behind all the lights music and models. The book reveals the secrets, planning and meticulous attention to detail underlying the organization of of an actual show and unveils the real-life drama that goes on behind the scenes. A must-have for all fashionistas and fans of the world of haute couture and high-end style and glamour.

When the Forrester sisters take their hit television show to New York for Fashion Week, they find that success in the big city comes with big challenges.

A hilarious chronicle of life behind the runway, beautifully depicted by fashion's top illustrators, with comments by Paris's most snarky critique, Lo c Prigent. For years, French journalist and documentarian Lo c Prigent has been tweeting the funny interactions, cruel criticisms, and absurd exclamations overheard during Fashion Week. Now available for the first time in English, Prigent's snarky statements on fashion mixed with absurdist poetry have been celebrated by thousands of fans. For the first time, discover the backstage world of the models, designers, and rich clients hilariously overheard and written about as 100 funny quotes accompanied with illustrations by 10 of the world's top fashion illustrators--including Eric Gariat, Gi Miyao, Cassandre Montoriol, Margot Mace, Carmen Garcia Huerta, Sandra Suy, and Mia Marie Overgaard--who have drawn for iconic fashion houses and brands including Chanel, LVMH, Guerlain, Le Bon March , and Missoni.
