Initiation: Jason Freeman is getting the hang of DeVere Heights. Then life from his past pays an unexpected visit in the form of his old friend Tyler.

When Jason's friend, Tyler, shows up at Devere Heights, Jason is at first excited, but quickly realizes that Tyler is running from some kind of crisis and, without knowing about the town's secret, he unknowingly places himself in mortal danger.

When Jason Freeman moves to Malibu, he thinks his life is picture-perfect, until a girl washes up dead the morning after a party with suspicious-looking bite marks.

The A-list bites. Jason Freeman has gotten used to the fact that beneath its glamorous surface, DeVere Heights is full of unexpected secrets. And vampires. Then just when he thinks he's golden, he's attacked. With a crossbow. At first the attention Jason gets from his crush, Sienna, makes the wound almost worthwhile -- especially after she breaks up with Brad. But the crossbow-wielding lunatic isn't finished, and his next victim is found dead with a bolt through the heart. As tensions rise at DeVere High, suspicions about the attacker point to pretty much anyone. There's something cold and hard in Brad's eyes-the look of a killer? Nah....

THE A-LIST BITES. Jason Freeman is stoked when his family relocates to exclusive DeVere Heights, Malibu. The in-crowd at his posh new high school is surprisingly friendly -- soon Jason's hitting all the best parties. He even meets the token hot-but-unattainable girl. Determined to enjoy his almost postcard-perfect new life, Jason tries hard to ignore the many strange things going down in DeVere Heights. But then a girl washes up dead the morning after one off-the-hook party -- and with no explanation but a suspicious-looking bite mark. Now Jason has to admit that what you don't want to know can hurt you.

In his senior year at DeVere High, Jason Freeman must decide if he will transform himself into a vampire to be allowed to be with his girlfriend, Sienna, forever.

Jason Freeman lives in Malibu - a town full of beautiful rich kids

whose lives revolve around money, fashion, cars and parties. But these teens hide a dark - and dangerous secret . . . High Stakes Jason thinks he must have just about taken all the challenges that can be thrown at him and Sienna, until Sienna's older sister, Paige turns up unexpectedly back from college in Paris. But when Paige's old boyfriend Mark turns up, things get dangerous. Sienna is missing and being used as bait between Paige and Mark. Suddenly the stakes are very high . . . Hunted The vampire clique are settling in for a good summer. But their peace is shattered when evidence emerges that there's a vampire hunter in town. Friends are going missing and then reappearing with no real memory of what's happened to them. What's really going on?

When wealthy Brittany Ellis and Alex Fuentes, a gang member from the other side of town, develop a relationship after Alex discovers that Brittany is not exactly who she seems to be, they must face the disapproval of others.

The ultimate all-in-one prosperity bible, featuring updated editions of the greatest works by the champion wealth builder of all time, Napoleon Hill. The timeless personal success writings of Napoleon Hill have inspired millions of readers to reach for and achieve their dreams since his debut book appeared in 1928. Now, three of Hill's most dynamic titles are available together for the first time, revised and updated in this convenient omnibus edition: Think and Grow Rich, one of the bestselling books of all time and one of the most successful reissues in recent publishing history, is Hill's landmark volume on wealth building. The Magic Ladder to Success, available nowhere else, is the volume in which Hill first distilled the seventeen factors that make up his "Law of Success" philosophy. These seventeen factors are composed of specific beliefs and actions that enable leaders to triumph in many fields. The Master-Key to Riches is the actual handbook once used by Hill and certified teachers of his success methods. This is the reference that the master teacher provided for the teaching of his ideas. While all three titles are revised to avoid arcane language or points of references, each features the full range of ideas and exercises that appeared in the original volumes. These are the self-help classics that most marked Hill's success as the greatest prosperity teacher in history. Together, they provide the ultimate guide to attaining the life of your dreams.
