An award-winning, popular actress in the porn industry describes her unusual life and discusses her views on women and sexuality as well as offering an inside look into the porn industry and her relationships with other actors, including her husband.

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays. Personally revealing as well as universal, Dirty Thirty marks the coming of age of a new literary star.

A "hot, hilarious, and engrossing" porn star memoir. "Akira is the Galileo of women's sexuality" (Alissa Nutting, author of Unclean Jobs for Women and Girls). After earning a good living by stripping and working as a dominatrix at a sex dungeon, Asa Akira built up a reputation for being one of the most popular, hardworking, and extreme actors in the porn business, winning dozens of awards for her 330+ movies, including her #1 bestselling series "Asa Akira Is Insatiable." In *Insatiable*, Akira recounts her extraordinary life in chapters that are hilarious, shocking, and touching. In a wry, conversational tone, she talks about her experiences shoplifting and doing drugs while in school, her relationship with other porn stars (she is married to one) and with the industry at large, and her beliefs about women and sexuality. *Insatiable* is filled with Akira's unusual and often highly amusing anecdotes, including her visit to a New Hampshire sex shop run by a mother and son. One of very few articulate voices writing from the inside, Akira has something important, controversial, and astonishingly interesting to say about sex and its central role in our lives and culture. "Akira is not only passionate about the porn industry, she is shameless, funny and even endearing." -Susannah Cahalan, *New York Post*, Best Books of the Year "Each chapter is filled with brutal honesty and self-deprecating humor. It's touching, inspiring, and flies in the face of a lot of people's preconceptions about the life of an adult film star." -Vice "Her book is a lot like her porn: raw, brutal and always unflinching." -Salon.com

"What do porn stars find erotic?" is a question that has baffled the

minds of adult film fans for decades. Thanks to adult film star and best-selling author of *Insatiable* and *Dirty Thirty*, Asa Akira, we finally get our answer--everything! No one knows the world of sex and eroticism better than those in "the industry." They've seen and done it all, from the weirdest fetishes to the most extreme positions, and now in this hot, new erotic collection they are going to test our own sexual repertoire. *Asarotica* features twenty-two erotic short stories by some of your favorite porn stars: Joanna Angel, Kayden Kross, Nina Hartley, and Asa Akira herself, among others. Original, authentic, eye opening, and arousing, *Asarotica* guarantees to "get you there," and to inspire a whole new generation to seek out unexpected pleasures...in books or in the bedroom.

A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame.

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In *Sinner Takes All*, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights.

An explicit look into the world of porn, from a woman who was a superstar in the industry. Small, aka Ashley Blue, weaves through the intricacies of a decade in and out of the adult film industry, love, drugs, and her own firebrand of what it means to live ecstatically.

The former good girl who became the star of *Deep Throat* tells the horrifying true story of her life on and off camera in this shocking tell-all memoir. Linda Boreman was just twenty-one when she met Chuck Traynor, the man who would change her life. Less than two years later, the girl who wouldn't let her high school dates get past first base was catapulted to fame as an adult film superstar. Linda Boreman of Yonkers, New York, had become Linda Lovelace. The unprecedented success of *Deep Throat* made pornography popular with mainstream audiences and made Lovelace a household name. But nobody, from the A-list celebrities who touted the movie to the audiences that lined up to see it, knew the truth about what went on behind the scenes. Taken prisoner by her sado-masochistic manager, Linda was forced into a

marriage of savage beatings, hypnotism, and rape. She was terrorized into prostitution at gunpoint and forced to perform unspeakable perversions on film. Years later, when Linda came out of hiding to tell her story, the revelations rocked the porn industry in ways that made her fear for her life.
