Troubleshooters: They Never Let You Down. The fifth addictive romantic suspense novel in New York Times bestselling author Suzanne Brockmann's Troubleshooters series, filled with thrilling adventure, excitement and passion. In INTO THE NIGHT, as a deadly assassination plot plays out around them, White House staffer Joan DaCosta and Lieutenant Mike Muldoon must risk everything to survive. When White House staffer Joan DaCosta is assigned to work with Navy SEAL Lieutenant Mike Muldoon on a presidential visit to a Californian naval base, she is reluctant to admit quite how drawn she is to the handsome young officer. For a woman who has always prided herself on being 'one of the guys' in the mostly male-dominated world of politics, it's stunning to her how quickly Mike breaks through her defences. Mike may be younger than Joan in years, but his experience in the field has made him strong, decisive and fearless - he's more than a match for Joan. But as their attraction grows, so does a terrible danger: terrorists are plotting to attack the president. Now, Joan and Mike must risk their lives and everything they hold dear, including their hearts, if they are to save their commander-in-chief from the disaster that awaits him...

In a novel of action, intrigue, and romance, a U.S. Navy SEAL and an FBI agent race to unravel a mystery—while confronting their own unresolved feelings for each other. In his career as one of America's elite warriors, Lt. Sam Starrett can do no wrong. In his private life, Sam—the king of one night stands—has done little right. Now, he's waiting for a divorce and determined to stay active in his young daughter's life. But when Sam shows up at the door of his ex-wife's home in Sarasota, Florida, he makes a grisly discovery. His daughter is gone and the body of a woman lies brutally murdered on the floor. FBI agent Alyssa Locke's relationship with Sam has been overwhelmingly intense and nearly catastrophic, yet it refuses to end. The last time she saw Sam was six months earlier, when they worked together to stop terrorists from assassinating the U.S. President. Much to her dismay, Alyssa is assigned to lead the murder investigation and once again the two are face to face. When explosive information surfaces linking Sam to the still unsolved assassination plot, the stakes are raised. With her reputation hanging in the balance, and her loyalties in question, Alyssa is faced with an impossible dilemma: arrest a man she believes to be innocent, or risk her career. While Alyssa tries to fight their intense attraction, Sam is determined to heat things up between them once again. And the complex case pushes them both to the wrong side of the law—and on the run to discover the truth. As more agents step into the chase, and with Sam's daughter still unaccounted for, neither Alyssa nor Sam can predict just how deadly hot this situation is about to become. . . . A thrilling novel that ranges back into the days of World War II, into friendships, families, liaisons, betrayals, and the code of honor that binds the U.S. Navy SEALs, *Gone Too Far* is an electrifying experience in suspense—and a brilliant tale of lives lived on the edge.

White House staffer Joan DaCosta and Navy SEAL Lt. Mike Muldoon are forced to put their budding romance on hold when they stumble upon a deadly terrorist plot and are forced to race against time to save the president's life. 15,000 first printing.

Bestselling author Suzanne Brockmann knows how to push the limits of romantic suspense to new, breathtaking heights. Potent, gripping, and explosive, *OUT OF CONTROL* is a roller coaster ride of a novel— as a single act of loyalty becomes a

desperate struggle for survival. . . . Savannah von Hopf has no choice. To save her uncle's life, she goes in search of Ken "WildCard" Karmody, a guy she barely knew in college who is now a military operative. She must convince him to help her deliver a cache of ransom money into the hands of terrorists halfway around the world. What she doesn't expect is to end up in WildCard's arms before she can even ask for his help. WildCard has always had a soft spot for beautiful women. But when he discovers Savannah's hidden agenda, he is determined to end the affair. But Savannah is bound for Indonesia with or without his protection, and he can't just walk away. When her plan goes horribly wrong, they are trapped in the forsaken jungle of a hostile country, stalked by a lethal enemy. As time is running out, they scramble to escape, risking their lives to stop a nightmare from spinning even further out of control. . . .

Bestselling author Suzanne Brockmann blends high adventure, harrowing drama, and heart-racing passion into thrilling novels of suspense. Whether tackling danger or wrestling with desire, her elite heroes and heroines never fail to give their all, in stories that soar above and beyond expectations. Now, in this electrifying novel, Brockmann takes us *Into the Storm*. In a remote, frozen corner of New Hampshire, a Navy SEAL team and the elite security experts of Troubleshooters, Incorporated are going head-to-head as fierce but friendly rivals in a raid-and-rescue training exercise. Despite the frigid winter temperatures, tension smolders between veteran SEAL Petty Officer Mark "Jenk" Jenkins and former cop turned Troubleshooter Lindsey Fontaine after an impulsive night goes awry. And then, suddenly, Tracy Shapiro, the Troubleshooters' new receptionist, vanishes while playing the role of hostage during a mock rescue operation. Teaming up with the FBI to launch a manhunt in the treacherous wilderness, Jenk and Lindsey must put aside their feelings as a record snowstorm approaches, dramatically reducing any hope of finding Tracy alive. The trail is colder than the biting New England climate until a lucky break leads to a horrifying discovery— a brutally murdered young woman wearing the jacket Tracy wore when she disappeared. Suddenly there is a chilling certainty that Tracy has fallen prey to a serial killer— one who knows the backwoods terrain and who doesn't play by the rules of engagement. In a race against time, a raging blizzard, and a cunning opponent, Jenk and Lindsey are put to the ultimate test. Rising everything, they must finally come together in a desperate attempt to save Tracy—and each other.

Uncommon valor in the line of duty and unconditional devotion in the name of love are the salient qualities of the daring men and women who risk it all in the heart-pounding thrillers of New York Times bestselling author Suzanne Brockmann. Crafted with precision and power, her characters come alive with a depth of emotion few writers have achieved. Now, with *Breaking Point*, Brockmann breaks even further through the pack and delivers a stunning payload. As commander of the nation's most elite FBI counterterrorism unit, agent Max Bhagat leads by hard-driving example: pushing himself to the limit and beyond, taking no excuses, and putting absolutely nothing ahead of his work. That includes his deep feelings for Gina Vitagliano, the woman who won his admiration and his heart with her courage under fire. But when the shocking news reaches him that Gina has been killed in a terrorist bombing, nothing can keep Max from making a full investigation—and retribution—his top priority. At the scene of the attack, however, Max gets an even bigger shock. Gina is still very much alive—but facing a fate even worse than death.

Along with Molly Anderson, a fellow overseas relief worker, Gina has fallen into the hands of a killer who is bent on using both women to bait a deadly trap. His quarry? Grady Morant, a.k.a “Jones,” a notorious ex-Special Forces operative turned smuggler who made some very deadly enemies in the jungles of Southeast Asia . . . and has been running ever since. But with Molly’s life on the line, Jones is willing to forfeit his own to save the woman he loves. Together with Max’s top agent Jules Cassidy as their only backup, the unlikely allies plunge into a global hot zone of violence and corruption to make a deal with the devil. Not even Jones knows which ghosts from his past want him dead. But there’s one thing he’s sure of—there’s very little his bloodthirsty enemies aren’t willing to do. Count on the intense action and raw honesty that Suzanne Brockmann consistently delivers, as she goes for broke in *Breaking Point*—and never looks back.

An insane celebrity stalker believes Jules, Robin and their mutual ex, Adam, need to be eliminated.
