The critically acclaimed, award-winning, modern classic Speak is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night. She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's Speak: The Graphic Novel comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

A smart, practical girl. A handsome, vengeful man. The passionate retelling of a marriage gone wrong. Dakota Atwell did a terrible thing. She sold her soul to the devil, and the man she loved along with it. Now, by an unexpected twist of fate, he's back in her life, he's her boss, and he's ready to make her pay. When Dakota walked out of his life, she took Samuel Seaforth's heart with her. He's hollow inside, and she made him that way. A decade later, he's out to break her. What he doesn't know is that she's already broken. From the boardroom to the bedroom, they're locked in a battle of wits and desire. One of them will break. One of them will pay. Both of them want to win. Neither of them expects to fall in love...again.

"Shall we begin?" When spoken by my new husband, these three little words fill me with terror and anticipation. In private, King Henry rules my body like he rules his country—with unrelenting control and passion. I crave his orders, his punishment, his commands. Outside the bedroom, we're strangers caught in a web of lies and decadence. Our marriage is a sham, a business arrangement devised to save my life and secure his crown. He doesn't love me. He loves my body, controlling it, shaming it, worshipping it. To survive the dangers at court, I need to be smart, but it's hard to think straight with a man like Henry between my legs. Each night, he locks the bedroom door, determined to teach me a new lesson. Obedience, patience, trust. I lie awake in bed waiting for the sound of his footsteps and the latest installment in pleasure and pain. My heart pounds when the hinges creak and his broad shoulders block the door. I'm not ready, but I can't wait to feel his hands on me. He shoves his bowtie into my mouth, binds my hands to the headboard, and whispers in my ear... "Shall we begin?"
