Edition Level 3 Introduction to Academic Writing, Third Edition Level 4 Writing Academic English, Fourth Edition

Academic Writing has been widely acclaimed in all its editions as a superb textbook—and an important contribution to the pedagogy of introducing students to the conventions of academic writing. The book seeks to introduce student readers to the lively community of research and writing beyond the classroom, with its complex interactions, values, and goals. It presents writing from a range of disciplines in the humanities, social sciences, and natural sciences, cultivating students' awareness of the subtle differences in genre. This new edition has been revised throughout and contains many new exercises, updated examples, a new section on research proposals, and wider disciplinary coverage. The organization of the book has also been revised to better fit with the timeline of most teaching terms.

Ideal for overseas students studying at English-medium colleges and universities, this practical writing course enables international students to meet the required standard of writing and use an appropriate style for essays, exams and dissertations. Newly revised and updated to include extra exercises and material suggested by teachers and students, Academic Writing explains and demonstrates all the key writing skills and is ideal for use in the classroom or for independent study. Useful at every stage of an academic career and beyond, this indispensable book features: different styles and formats from CVs and letters to formal essays a focus on accuracy coverage of all stages of writing, from understanding titles to checking your work essential academic writing skills such as proper referencing, summarising and
