Cooking in large batches is the perfect way to save time and money. It also often turns out to be the healthier option – saving you from ready-meals and take-out; allows you to cook your produce when it's most fresh; and reduces how much food you throw away. In Batch Cooking, Keda Black shows you how to get ahead of the game by using just two hours every Sunday to plan what you are eating for the week ahead and get most of your prep out of the way. By Sunday evening, you are looking forward to five delicious weeknight meals, and enjoying an overwhelming sense of calm about the week ahead. The book covers thirteen menus, with an easy-to-follow shopping list and a handy guide for how to tweak your plans for the season or your dietary requirements. Each menu is broken down into the Sunday preparation time and a day-by-day method to finishing the recipe. Recipes include a heartening Lemongrass, Coconut, Coriander and Ginger Soup, a delightful Green Shakshuka with Feta and an astoundingly easy Pear Brownie.

"A memoir of Nadia Murad's time as a captive of the Islamic State, her escape, and her human rights activism"--

La selezione dei migliori cocktail di sempre. Storia, ricette, segreti: i 130 classici e contemporanei più apprezzati e richiesti, raccontati da Federico Mastellari. Il volume è diviso in due parti. La prima contiene una breve panoramica storica sull'evoluzione del cocktail, dove sono toccati i principali periodi, i bartender e i fattori che ne hanno decretato la sua diffusione, seguita dalle descrizioni chiare e schematiche che trattano i prodotti alcolici e gli altri ingredienti, le attrezzature, i bicchieri, le tecniche di costruzione dei cocktail e le preparazioni "home made" dalle materie prime. La seconda parte è il cuore del libro: per ogni cocktail è presente una scheda descrittiva, corredata di foto del drink, con nozioni storiche, la ricetta ufficiale IBA, la ricetta con i prodotti e i bilanciamenti suggeriti dall'autore, la decrizione della preparazione e i consigli da non perdere, il tenore alcolico e il sapore. Un libro per amatori e professionisti in linea con gli standard del bartending attuale e arricchito dal servizio fotografico curato da Felix Reed, nell'elenco dei 200 migliori fotografi pubblicitari al mondo.

Gorgeous color art from Eiichiro Oda's One Piece! The first three Color Walk art books collected into one beautiful compendium. Color images and special illustrations from the world's most popular manga, One Piece! This compendium features over 300 pages of beautiful color art as well as interviews between the creator and other famous manga artists, including Akira Toriyama, the creator of Dragon Ball. This first volume covers the early parts of the series—from the East Blue arc where the main characters of the Straw Hat pirates first meet, to the Skypiea arc where Luffy and friends face their greatest adventures yet!
