“ Who on earth wants to jump into ice baths and run through fire and wallow in mud on a Sunday afternoon, just for the hell of it? ” my professors asked. My gut feeling was—plenty of people. Will Dean, founder of extreme obstacle course Tough Mudder, shares the thrilling inside story of how a scrappy startup grew into a movement whose millions of members feel like co-owners. He shows how other companies can embrace the Tough Mudder playbook by nurturing tribes of passionate fans while constantly experimenting with new risks. Valley. Instead, he pursued his unique vision for an extreme obstacle course—a ten- to twelve-mile gauntlet pushing participants to their limits and helping them surpass those limits together. Instead of cutthroat competition, Tough Mudder would be about continual self-improvement and collective energy. It would be about the power of a tribe. Dean and his small team launched the first Tough Mudder event in May 2010, hosting 5,000 pioneers at a deserted ski resort in Pennsylvania. Just seven years later, more than 3 million people on four continents have participated at least once, and hundreds of thousands have done so repeatedly. More than 20,000 are so committed that they sport a Tough Mudder tattoo. Mudders prove the power of fierce and unshakable

The world of sales is undergoing a massive change: the world is getting smaller, data is getting bigger, communication is becoming easier, and buyers are empowered like never before. *Build Your Sales Tribe* is a manual for navigating this change and bringing your business into the future. It is based on a fundamental tenet: if you don't have a solid commercial approach, scaling a business is near impossible. In the Information Age, generalist salespeople for 'simple sales', those used by most business-

to-consumer (B2C) and some business-to-business (B2B) organisations, are becoming redundant. Businesses need the right approach to more complex sales – one that has value for both the buyer and seller. This book guides the reader through setting up functions and foundations that will allow them to build a successful approach to sales and find the right salespeople for the job. It delivers advice and offers a series of practical projects on a wide range of topics from interview questions to targeting customers, pricing models to measurement, ethical approaches in selling to diversity and inclusion, negotiation techniques to account management and much, much more.

methods she used to build her own tribe and grow from an anxiety-ridden, unhealthy, introverted underachiever to a confident woman who takes risks and leaps out of her comfort zone—complete with a foreword from #1 New York Times bestselling author Gabrielle Bernstein. Today, we live in an uber-connected era, where anyone is able to make thousands of friends and participate in their lives with the swipe of a finger. Why then, in such a connected time in history, do so many women feel disconnected, confined, misunderstood, defeated, or think that success is a solo project? The benefits of a having a tribe are undeniable. Women who have strong social circles are living longer, happier, healthier lives in comparison to those who lack connections and are exhausting

President and teaching pastor Nancy Beach speaks to women with God-given gifts of leading and teaching. Sharing from her thirty-year journey in a local church, Nancy offers guidance on such issues as:

- developing character
- earning respect
- finding your voice for leadership and teaching
- managing work and personal life
- forming an intentional support network, and more.

She also challenges church leaders to wrestle with the issue of women in leadership, and to be advocates for women as they seek to reach their full ministry potential. My prayer is that you will fully engage in the dangerous and thrilling adventure of using your leadership gift to advance the kingdom of God. The path won't be easy. . . but God will never leave you alone. So trust him. And

The bestselling author of *The Willpower Instinct* introduces a surprising science-based book that doesn't tell us why we should exercise but instead shows us how to fall in love with movement. Exercise is health-enhancing and life-extending, yet many of us feel it's a chore. But, as Kelly McGonigal reveals, it doesn't have to be. Movement can and should be a source of joy. Through her trademark blend of science and storytelling, McGonigal draws on insights from neuroscience, psychology, anthropology, and evolutionary biology, as well as memoirs, ethnographies, and philosophers. She shows how movement is intertwined with some of the most basic human joys, including

self-expression, social connection, and mastery--and why it is a powerful antidote to the modern epidemics of depression, anxiety, and loneliness. McGonigal tells the stories of people who have found fulfillment and belonging through running, walking, dancing, swimming, weightlifting, and more, with examples that span the globe, from Tanzania, where one of the last hunter-gatherer tribes on the planet live, to a dance class at Juilliard for people with Parkinson's disease, to the streets of London, where volunteers combine fitness and community service, to races in the remote wilderness, where athletes push the limits of what a human can endure. Along the way, McGonigal paints a portrait of human nature that highlights our capacity for hope, cooperation, and self-transcendence.

Movement
The result is a revolutionary narrative that goes beyond familiar arguments in favor of exercise, to illustrate why movement is integral to both our happiness and our humanity. Readers will learn what they can do in their own lives and communities to harness the power of movement to create happiness, meaning, and connection.
