Gives parents the tools to make early language intervention a natural, ongoing part of everyday life with their child. New checklists and goal charts in the first chapter make it easier for parents and professionals to identify the child's stage of communication and choose the most appropriate interaction and communication goals right from the start. With a heightened focus on helping children initiate, take turns in enjoyable, extended interactions and increase their expressive language skills, the It Takes Two to Talk guidebook shows parents how to use responsive interaction strategies that increase children's language skills. Written in simple language and beautifully illustrated, this guidebook shows parents how to integrate It Takes Two to Talk strategies into everyday routines like mealtime, bath time, playtime and book reading.

Shows parents how to help their child communicate and learn language during everyday activities.

With a focus on self-empowerment and resilience, this refreshing and witty relationship guide has a reassuring counterintuitive message for unhappy spouses: you only need one partner to initiate far-reaching positive change in a marriage. Conventional wisdom says that "it takes two" to turn a troubled marriage around and that both partners must have a shared commitment to change. So when couples can't agree on how-or whether-to make their marriage better, many give up or settle for a less-than-satisfying marriage (or think the only way out is divorce). Fortunately, there is an alternative. "What distinguishes Reilly's book is that she says a warring couple don't have to agree on the goal of staying together; it takes one person changing, not both, to make a marriage work" (The New York Times). Marriage and family therapist Winifred Reilly has this message for struggling partners: Take the lead. Doing so is effective-and powerful. Through Reilly's own story of reclaiming her now nearly forty-year marriage, along with anecdotes from many clients she's worked with, you'll learn how to: -Focus on your own behaviors and change them in ways that make you feel good about yourself and your marriage -Take a firm stand for what truly matters to you without arguing, cajoling, or resorting to threats -Identify the "big picture" issues at the basis of your repetitive fights-and learn how to unhook from them -Be less reactive, especially in the face of your spouse's provocations -Develop the strength and stamina to be the sole agent of change Combining psychological theory, practical advice, and personal narrative, It Takes One to Tango is a "wise and uplifting" (Dr. Ellyn Bader, Director of The Couples Institute) guide that will empower those who choose to take a bold, proactive approach to creating a loving and lasting marriage.

The Verbal Behavior (VB) approach is a form of Applied Behavior Analysis (ABA), that is based on B.F. Skinner's analysis of verbal behavior and works particularly well with children with minimal or no

speech abilities. In this book Dr. Mary Lynch Barbera draws on her own experiences as a Board Certified Behavior Analyst and also as a parent of a child with autism to explain VB and how to use it. This step-by-step guide provides an abundance of information about how to help children develop better language and speaking skills, and also explains how to teach non-vocal children to use sign language. An entire chapter focuses on ways to reduce problem behavior, and there is also useful information on teaching toileting and other important self-help skills, that would benefit any child. This book will enable parents and professionals unfamiliar with the principles of ABA and VB to get started immediately using the Verbal Behavior approach to teach children with autism and related disorders.

A HANDY PARENT'S GUIDE THAT TURNS PROFESSIONAL LANGUAGE DEVELOPMENT INTO CHILD'S PLAY Are you concerned that your child is not verbalizing? The solution may be as simple as a game. Talking with Your Toddler teaches you how to stimulate speech using everyday play. It makes learning to talk fun and engaging for your child. With proven therapies and easy-to-follow activities, Talking with Your Toddler makes an ideal home companion. - Tips to promote talking throughout the day - Hands-on games that teach new words - Tricks for turning drive time into talk time - Fun ways to promote further practice - Techniques for keeping kids engaged Written by experienced speech professionals, this book's straightforward approach is equally useful for parents at home, teachers in the classroom or therapists in a clinic.

"Sebastian proves she is a new force to be reckoned with in historical romances."--Booklist Some of Ben Sedgwick's favorite things: Helping his poor parishioners Baby animals Shamelessly flirting with the handsome Captain Phillip Dacre After an unconventional upbringing, Ben is perfectly content with the quiet, predictable life of a country vicar, free of strife or turmoil. When he's asked to look after an absent naval captain's three wild children, he reluctantly agrees, but instantly falls for the hellions. And when their stern but gloriously handsome father arrives, Ben is tempted in ways that make him doubt everything. Some of Phillip Dacre's favorite things: His ship People doing precisely as they're told Touching the irresistible vicar at every opportunity Phillip can't wait to leave England's shores and be back on his ship, away from the grief that haunts him. But his children have driven off a succession of governesses and tutors and he must set things right. The unexpected presence of the cheerful, adorable vicar sets his world on its head and now he can't seem to live without Ben's winning smiles or devastating kisses. In the midst of runaway children, a plot to blackmail Ben's family, and torturous nights of pleasure, Ben and Phillip must decide if a safe life is worth losing the one thing that makes them come alive.

It's all fun in the sun until someone turns up dead After Plum Lockhart's job as a travel magazine editor is eliminated in corporate cuts, she decides she's sick of cold winters in NYC and fruitless swiping on dating apps--what she needs is a dramatic change of scenery. On a whim, she accepts a job as a villa broker and moves to a beautiful Caribbean island. However, paradise isn't as perfect as it seems: the slow pace of island life, the language barrier, and a cutthroat office rival make Plum question leaving her old life behind. But when a client is found dead in the jacuzzi of Casa Mango--a property Plum manages--she knows she's really in a jam. With a killer loose on the island Plum will have to deal with a stonewalling police chief, a string of baffling clues, and a handsome Director of Security to solve this deadly case!
