The final three books in the bestselling, award-winning BEYOND series! BEYOND RUIN Adrian Maddox fled his royal life—and tragic past—in Sector One, choosing instead to join up with the O’Kanes. For years, he’s lived by one rule: love fast, love hard, and always be willing to walk away. He’s managed to guard his heart, keep it whole and untouched—until now. They couldn’t be more different—Dylan, the brilliant, burned-out doctor from Eden who drowns his pain with drugs and self-destruction. Scarlet, the sensuous, sexy rocker from Three, a woman unafraid to embrace the world. And Jade, the whore turned spy from Sector Two, who battled addiction and came out stronger than anyone he’s ever met. Separately, they make Mad long to open his heart, to tumble head-first into a sea of possibilities and wild love. Together, they make him burn, inside and out, with lust and unbearable, unimaginable pleasure. Then one fateful moment shakes their world to its foundations—and leaves the sectors on the verge of all-out war with Eden. It’s the biggest fight the O’Kanes have ever faced, and Mad and his lovers are at the dead center of it. They could end up with everything they never knew they wanted—or lose it all. Including their lives. BEYOND ECSTASY The O’Kanes have a reputation for working hard and playing harder—except for Hawk. He joined the gang with one goal: to ensure his family’s survival through the impending war with Eden. It’s been years since he had the luxury of wanting anything for himself. Now, he wants Jeni. From the first moment he saw her, he’s been obsessed with making her his. Not for a night—forever. Jeni’s been lusting after the former smuggler for months, but he

keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected—a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't resist the chance to slip under Hawk's armor. The only thing more shocking than the dark, dangerous pleasure they discover is how right it feels. But falling in love is even more reckless when forever is far from guaranteed. Because they aren't just at war, they're out of time—and every breath could be their last. BEYOND SURRENDER For years, Nessa has been focused on work. She keeps the whiskey—and the money—flowing, and life is sweet. Sure, she's tired of being everyone's baby sister, and she longs for a man who can stand up to her overprotective O'Kane brothers. But she never thought she'd meet him in the middle of a war. War is all Ryder knows. He was raised with one goal: to ensure the sectors' successful rebellion against Eden. His father and his mentor both died for freedom, and nothing will stop him from securing their legacies with victory. He doesn't have time for distractions—especially beautiful, impulsive ones like Nessa. Opposites don't just attract, they combust. Together, Nessa and Ryder have a chance for something more than the lives they've always known. But this is war—deadly, bloody war—and the only way to happily-ever-after is straight through Eden.

Ana has trained most of her life to achieve one goal: to prove that anything men can do, she can do better. Now she's Sector One's first female Rider, and being the best is the only way to ensure she won't be its last. Distractions aren't allowed--especially not her painful attraction to the reserved but demanding leader whose stern, grumpy demeanor has already gotten into her head. Deacon has spent the last twenty years trying to atone for his past, but the blood he spilled as a mercenary and assassin will never wash away entirely. If his Riders knew the extent of his sins, he'd lose their trust and respect. It's easier to keep them all at arm's length, especially Ana. But his newest recruit's stubbornness is starting to crack his defenses. And their sparring matches are driving him wild. The passion sparking between them can't be denied, but neither can the vengeance barreling toward Deacon. When his old squad comes back to punish him for his betrayal, Ana and the Riders are squarely in the line of fire. The only way to save his people may be to make the ultimate sacrifice. But first, he has to convince Ana not to follow him straight into hell. Praise for Book #1 in Gideon's Riders "There's a lot riding on Ashwin, a lot expected of the first novel in a new series by a popular author that makes it a tricky, tight rope to walk. Kit Rocha deftly skips down that line with skill, respect, crushing emotions, and breath-taking imagination." — Heroes & Heartbreakers "Ashwin gives readers a seemingly impossible romance while continuing to entice readers to join them in this new world that celebrates love, laughter, and life." — Smexybooks "For me this first book in the new series was just as consuming and addicting as its predecessors. I'm so ready for what comes
