"The greatest novel of physical love which China has produced." —Pearl S. Buck A saga of ruthless ambition, murder, and, famously, Chinese erotica, The Golden Lotus (also known as The Plum in the Golden Vase) has been called the fifth Great Classical Novel in Chinese Literature and one of the Four Masterworks of the Ming Novel. Admired in its own time for its literary qualities and biting indictment of the immorality and cruelty of its age, this Chinese classic has also been denigrated for its sexual frankness. It centers on Ximen Qing, a young, dissolute, and politically connected merchant, and his marriage to a fifth wife, Pan Jinlian, literally "Golden Lotus." In her desire to influence her husband and, through him, control the other wives, concubines, and entire household, she uses sex as her primary weapon. The Golden Lotus lays bare the rivalries within this wealthy family while chronicling its rise and fall. TThis great work of classic Chinese literature, from an author whose pseudonym means "Scoffing Scholar of Lanling", is a virtuoso collection of voices and vices, mixing in poetry and song. It samples different social registers from popular ballads to the language of bureaucrats to recreate and comment mordantly on the society of the time. Little-known in the west but utterly iconic amongst the Chinese classics in worldly circles, reading The Golden Lotus promises both an astute reflection on human tendencies and a sumptuous, intoxicating take on Chinese erotica. This new edition: Features a superb new introduction by Robert Hegel of Washington University, who explains its importance as the first single-authored novel in the Chinese tradition Contains the complete, unexpurgated text as translated by Clement Egerton with the assistance of Shu Qingchun (later known as Lao She, one of the most prominent Chinese writers of the twentieth century) Ensures translation has been pinyinized and corrected for this new edition

This book investigates the English translations and adaptations of the sixteenth century classic Chinese novel *Jin Ping Mei*. Acclaimed the "No.1 Marvellous Book" of the Ming dynasty, *Jin Ping Mei* was banned soon after its appearance, due to the inclusion of graphically explicit sexual descriptions. So far there have been more than a dozen English adaptations and translations of the novel. Working within the framework of descriptive translation studies, this book provides a translational history of the English versions of *Jin Ping Mei*, supported by various paratexts, including book covers, reviews, and archival materials. It also conducts textual comparisons to uncover the translation norms at work in the only two complete renditions, namely *The Golden Lotus* by Clement Egerton and *The Plum in the Golden Vase* by David Roy, respectively. The notions of agency, habitus and capital are introduced for the examination of the transference of linguistic, literary and cultural aspects of the two translations. The book represents the first systematic research effort on the English Translations of *Jin Ping Mei*. Given its pioneering status and interdisciplinary nature, the data, structure and findings of this book will potentially enrich the fields of Translation Studies, Comparative Literature, Chinese Studies, Cultural Studies and Book History.

The National Book Award winning author of *Blonde* demonstrates her mastery of contemporary gothic horror in these 10 chilling short stories. The need for love—obsessive, self-destructive, unpredictable—can take us to forbidden places, as Joyce Carol Oates demonstrates with fearsome clarity in this short story collection. In "Strip Poker," a reckless adolescent girl must find a way of turning the tables on a gathering of increasingly threatening young men. In the award-winning "Smother!" a young woman's nightmare memory of childhood brings trouble on her professor-mother. In "The First Husband," a jealous man discovers that his wife seems to have lied about her first marriage—and waits years before exacting a cruel revenge. In these and other powerful tales, children veer beyond their parents' control, wives and husbands wake up to find that they hardly know each other, haunted pasts intrude upon uncertain futures, and those who bring us the most harm may be the nearest at hand.
