NAKAMA 1 is a complete, flexible introductory program designed to present the fundamentals of the Japanese language to users. Presented in two parts, NAKAMA 1a and NAKAMA 1b, the program focuses on proficiency-based language learning, emphasizes practical communication and student interaction, and fosters the development of all four language skills and cultural awareness. Thematically organized chapters focus on high-frequency communicative situations and introduce students to the Japanese language and its three writing systems: hiragana, katakana, and kanji. Maintaining the program's balanced approach, the new edition features updated technology resources, new authentic art, and practical, contemporary vocabulary to enhance both teaching and learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Those aren't stars, darling That's your nervous system Nanna didn't take you to planetariums like this --from "Hyper-Berceuse: 3 A.M." August Kleinzahler's new poems stretch and go places he has never gone before: they have his signature high color and rhythmic jump, but they take on a breadth of voice and achieve registers that his earlier work only hinted at. Ranging from Vegas and Mayfair to the

Asian steppes and contemporary Berlin, these poems touch down at will in tableaux where Liberace unceremoniously meets with St. Kevin and Attila with Zsa Zsa Gabor. Surprise after surprise, nothing seems to lie outside Kleinzahler's purview. This is the strongest collection to date from a poet with "the vision and confident skill to make American poetry new" (Clive Wilmer, *The Times* [London]).

In this sequel to his first volume of autobiography *Pride and Perjury*, Aitken starts his story as he is taken down from the courtroom and incarcerated at Her Majesty's Pleasure. How this Old Etonian former Cabinet Minister on Mrs Thatcher's inner circle managed to establish new relationships and lasting friendships with fellow prisoners is fascinating - so too is this account of how religious belief transformed his life. Aitken has lost none of his charm, fluency and determination - and he has found an authentic new life which readers of this entertaining new book will be able to judge for themselves. 'A rich collection of humorous tales of prison life... Aitken seems to have found a new vocation of both a funny writer and a serious prison reformer.' *Tablet*

NAKAMA 2 is the second part of a two-year proficiency-oriented program that emphasizes practical communication and the development of listening, reading, writing, and speaking skills. The eleven thematic chapters, plus one preliminary chapter, focus on high-frequency communication situations; while chapter dialogues illustrate typical daily events representative in Japanese life and provide realistic contexts in which to learn vocabulary and grammar. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Kickstart your health makeover with 'The Alkaline Cleanse', a fast-track to weight loss, increased energy, and a balanced body and mind. Written by the team of the health bible 'The Alkaline Cure' and its much anticipated follow-up, 'The Alkaline Cure Cookbook', this is an achievable way to see great results fast.

When a villainous wizard escapes from exile, the devastatingly sexy Domsday Brethren must defend all magickind in the spellbinding second book in bestselling author Shayla Black's seductive new paranormal series. Ex-marine Caden MacTavish has shunned his magical heritage all his life, but he will do anything to heal his desperately ill brother, a Domsday Brethren warrior in mourning for his missing mate. Posing as a photographer, Caden must convince firecracker tabloid reporter Sydney Blair to reveal the source of her recent exposé on a supernatural power clash. Unfortunately, keeping his hands off the sizzling redhead proves as hard as getting them onto the potent and mystical Domsday Diary he discovers at her bedside. A bloody rebellion led by an evil, power-hungry wizard is imminent. If Sydney divulges the book's existence, she will jeopardize magickind's most deeply guarded secrets and become the ruthless wizard's number one target. Caden has never trusted magic's cruel and dangerous powers, but he will protect Sydney with his life and magic -- even if it means risking his heart.

Hapgood's tour de force is back in print! This riveting account of how earth's poles have flipped positions many times is the culmination of Hapgood's extensive research of Antarctica, ancient maps and the geological record. This amazing book discusses the various pole shifts in earth's history -- occurring when earth's crust slips in the inner core -- and gives evidence for each one. It also predicts future pole shifts: a planetary alignment will cause the next one on 5 May 2000! Packed with illustrations, this book is the reference other books on the subject cite over and over again. With
