A roaring, rollicking, foot-stomping farce. Ketchup Soup is an epic, and at times ribald, comedy about the lovable James Reichardt, a verbose junior copywriter who's just landed his first job at a sleepy advertising agency in New Orleans. Part genius, part naive miscreant, James suffers from illusions of grandeur, not the least of which are the beliefs that business is the key to happiness and that he is Caesar reincarnated. In his first 364 days in the Big Easy he'll join forces with the many colorful characters of the city to bring down the ad agency, swear allegiance to art and lead a revolt against capitalism at the height of Mardi Gras. A tale that is both hilarious and heartfelt, Ketchup Soup is the side-splitting story of one young man's journey through the nonconformists and dank back alleys of New Orleans.
