This is a relationship book unlike any one you've ever seen. An American monk who spent 25 years in Tibetan monasteries shares ancient secrets on how to find a partner, keep them, and achieve lasting happiness together. The book consists of answers to 100 questions asked by audiences all over the world during decades of his teachings on the Karma of Love. What's the karma to get my husband to hug me? To get my wife interested in sex again? Can I use karma to stop my girlfriend from texting other guys? Is it possible for physical intimacy to be spiritual? How can we use our relationship to help the world? The answers to the 100 questions are drawn from the teachings of The Diamond Cutter, which is the oldest dated printed book in the world. Michael Roach, the first American in history to receive the coveted Tibetan title of Geshe, or Master of Buddhism, applies the world-changing ideas of his international bestselling personal success book—also called The Diamond Cutter—to every aspect of our relationship: trust, communication, addictions, fun, in-laws, sex, peace, self-esteem, and many others.

<p>Principles of Water Treatment has been developed from the best selling reference work Water Treatment, 3rd edition by the same author team. It maintains the same quality writing, illustrations, and worked examples as the larger book, but in a smaller format which focuses on the treatment processes and not on the design of the facilities.</p>

Imagine following Jesus along the road, listening in on his conversations, and gleaning from the lessons he taught in the holy places he traveled. Join author Wayne Stiles as he walks in the steps of Jesus: through Bethlehem, Samaria, Jerusalem, Nazareth, Galilee, and beyond. Experience the places where Jesus met a lonely woman in Samaria, a den of hypocrites in the Temple, a Jerusalem Pharisee still searching for truth, fishermen with a sea of false expectations, and a hometown ashamed of him. Entering the Holy Land through the settings, sights, and sounds of Stiles's engaging travelogue, readers will not only discover more about these sacred places, but also learn practical lessons that will find their way into their hearts. And ultimately, prepare them for their own encounter with Christ.
