Camelot was a mythical castled city, said to be located in Great Britain, where King Arthur held court. It was the center of the Kingdom of Logres and in Arthurian legend would become the location...

THE **PROJECT** **GUTENBERG** **EBOOK** **OF** **THE** **STORY** **OF** **KING** **ARTHUR** **...**

AFTER several years of contemplation and of thought upon the matter herein contained, it has at last come about...., that I have been able to write this work with such pleasure of spirit that, if it gives to you but a part of the joy that it hath afforded me, I shall be very well content with what I have done. For I believe that King Arthur was the most honorable, gentle Knight who ever lived in all the world. And those who were his fellows of the Round Table... made, altogether, such a company of noble knights that it is hardly to be supposed that their like will ever be seen again in this world... So in the year of grace one thousand nine hundred and two I began to write this history of King Arthur and his Knights of the Round Table and, if I am able so to do, I shall endeavor, with love of that task, to finish the same at some other time in another book and to the satisfaction of whosoever may care to read the story thereof.

Arthurian expert Sir James Knowles brings together fourteen tales of King Arthur and his knights, inspired by Alfred, Lord Tennyson's first four 'Idylls of the King'. Here is a fascinating journey through the land of ancient England where magic, mystery and warring factions come together in cataclysmic fashion. Beginning with the finding of the wizard Merlin, Sir James recounts the discovery of the legendary sword Excalibur, King Arthur's victory over the Saxons and his marriage to the beautiful Guinevere, as well as his battles against armies from Europe and his evasion of Queen Morgan's attempts to kill him with a magic garment. Tales include: • The Prophecies of Merlin and the Birth of Arthur • The Miracle of the Sword and Stone • The Lady of the Lake • The Founding of the Round Table • The Adventures of Sir Gawain Revealing the escapades of the Knights of the Round Table, such as Lancelot, Bedivere, Bors, Modred, Tristram and Galahad, as they seek to protect Arthur's kingdom, we discover how these fabled figures found their destiny. ABOUT THE SERIES: Arcturus Classic Myths and Legends brings together beautiful retellings of mythologies from different traditions, from Celtic to Native American.

Book Excerpt: d of the archbishop on Twelfth day, which is the sixth of January, all the great lords assembled in the churchyard. Each tried to draw forth the sword, and each failed. Then the untitled people came and tried. Everyone failed until at last Arthur stepped forward. He hardly more than touched the sword when it came away in his hand.At this many of the great lords were angry.[Illustration: "He hardly more than touched the sword"]"He is but a boy," they said, "and not of high blood."They refused to believe the story of his birth told by Merlin and Sir Hector. And because of all the quarreling, it was decided to have another trial at Candlemas, which fell in the month of February. Again Arthur was victorious. Then the great lords decreed that there should be another trial at Easter, and again Arthur succeeded. Next they decided to have a final trial at the feast of the Pentecost, which fell in May.Meanwhile, Merlin advised the archbishop to see that Arthur had a bodRead More

King Arthur is one of the greatest legends of all time. From the magical moment when Arthur releases the sword in the stone to the quest for the Holy Grail and the final tragedy of the Last Battle, Roger Lancelyn Green brings the enchanting world of King Arthur stunningly to life. One of the greatest legends of all time, with an inspiring introduction by David Almond, award-winning author of Clay, Skellig, Kit's Wilderness and The Fire-Eaters.

The legends of King Arthur - the most revered hero of British Mythology - have been retold many times, but Roger Lancelyn Green's version has become a classic since its first publication in 1953. Using as his sources not only Malory's MORTE D'ARTHUR but other chronicles, poems and romances, he has made each adventure of Arthur's knights part of an overall pattern - the struggle of Arthur's kingdom, the realm of Logress, the model of chivalry and right, against the barbarism and evil that surrounded and at length engulfed it. So here are the stories of the sword in the stone, of the Green Knight, of the fatal love between Launcelot and Guinevere, of the quest for the Holy Grail, and of the final departing of Arthur to the Vale of Avalon. The illustrations are taken from an edition of MORTE D'ARTHUR published in 1893 with which Aubrey Beardsley first made a name for himself at the age of twenty.

This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.
