The new Chief Inspector Gamache novel from the #1 New York Times bestselling author. When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing. The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception. Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers. As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

Miraculous' Washington Post _____ This edition contains bonus extra content from Louise Penny, including a map of Three Pines

In *Still Life*, bestselling author Louise Penny introduces Monsieur L'Inspecteur Armand Gamache of the Surete du Quebec, a modern Poirot who anchors this beloved traditional mystery series. Winner of the New Blood Dagger, Arthur Ellis, Barry, Anthony, and Dilys awards. Chief Inspector Armand Gamache of the Surêté du Québec and his team of investigators are called in to the scene of a suspicious death in a rural village south of Montreal. Jane Neal, a local fixture in the tiny hamlet of Three Pines, just north of the U.S. border, has been found dead in the woods. The locals are certain it's a tragic hunting accident and nothing more, but Gamache smells something foul in these remote woods, and is soon certain that Jane Neal died at the hands of someone much more sinister than a careless bowhunter. *Still Life* introduces not only an engaging series hero in Inspector Gamache, who commands his forces---and this series---with integrity and quiet courage, but also a winning and talented new writer of traditional mysteries in the person of Louise Penny.

When Mick Frasier, a young wannabe rock star, saves an elderly man from being kidnapped, his horizons expand with dazzling rapidity. But more than one group of violent men are after Dr Lugner, and Mick finds himself caught up in a deadly manhunt to possess the formula for a powerful new drug.

An instant New York Times Bestseller and August 2017 LibraryReads pick! “Penny’s absorbing, intricately plotted 13th Gamache novel proves she only gets better at pursuing dark truths with compassion and grace.” —PEOPLE “Louise Penny wrote the book on escapist mysteries.” —The New York Times Book Review “You won’t want Louise Penny’s latest to end....Any plot summary of Penny’s novels inevitably falls short of conveying the dark magic of this series.... It takes nerve and skill — as well as heart — to write mysteries like this. ‘Glass Houses,’ along with many of the other Gamache books, is so compelling that, for the space of reading it, you may well feel that much of what’s going on in the world outside the novel is ‘just noise.’” —Maureen Corrigan, *The Washington Post* When a mysterious figure appears in Three Pines one cold November day, Armand Gamache and the rest of the villagers are at first curious. Then wary. Through rain and sleet, the figure stands unmoving, staring ahead. From the moment its shadow falls over the village, Gamache, now Chief Superintendent of the Sûreté du Québec, suspects the creature has deep roots and a dark purpose. Yet he does nothing. What can he do? Only watch and wait. And hope his mounting fears are not realized. But when the figure vanishes overnight and a body is discovered, it falls to Gamache to discover if a debt has been paid or levied. Months later, on a steamy July day as the trial for the accused begins in Montréal, Chief Superintendent Gamache continues to struggle with actions he set in motion that bitter November, from

which there is no going back. More than the accused is on trial. Gamache's own conscience is standing in judgment. In *Glass Houses*, her latest utterly gripping book, number-one New York Times bestselling author Louise Penny shatters the conventions of the crime novel to explore what Gandhi called the court of conscience. A court that supersedes all others.

The era of privacy is over. With the proliferation of cameras, social networks, and automated surveillance systems, everyone is being watched at all times and people have begun to give in to the surveillance state. Well, almost everyone... Laurette is a young, rebellious teenager in London plotting an attack on a major government data center with a group of activists. But when the plan goes wrong, Laurette disappears, kidnapped by unknown agents. Dissatisfied with the police's lack of progress, Adil, Laurette's brother, decides to investigate on his own. A science-fiction story that explores a future not too far from our own, tackling the issue of surveillance from both sides of the law.

Instant New York Times bestseller: #1 in Hardcover Fiction #1 in E-book Fiction #1 in Combined Print and E-book Fiction "Deep and grand and altogether extraordinary....Miraculous." —The Washington Post "Artful...Powerful...Magical." - The New York Times Book Review "Superb" - People "A Great Reckoning succeeds on every level." —St. Louis Post-Dispatch #1 New York Times bestselling author Louise Penny pulls back the layers to reveal a brilliant and emotionally powerful truth in her latest spellbinding novel. When an intricate old map is found stuffed into the walls of the bistro in Three Pines, it at first seems no more than a curiosity. But the closer the villagers look, the stranger it becomes. Given to Armand Gamache as a gift the first day of his new job, the map eventually leads him to shattering secrets. To an old friend and older adversary. It leads the former Chief of Homicide for the

Sûreté du Québec to places even he is afraid to go. But must. And there he finds four young cadets in the Sûreté academy, and a dead professor. And, with the body, a copy of the old, odd map. Everywhere Gamache turns, he sees Amelia Choquet, one of the cadets. Tattooed and pierced. Guarded and angry. Amelia is more likely to be found on the other side of a police line-up. And yet she is in the academy. A protégée of the murdered professor. The focus of the investigation soon turns to Gamache himself and his mysterious relationship with Amelia, and his possible involvement in the crime. The frantic search for answers takes the investigators back to Three Pines and a stained glass window with its own horrific secrets. For both Amelia Choquet and Armand Gamache, the time has come for a great reckoning.
