Kiss of the Spider Woman is a graceful, intensely compelling novel about love and victimization. In an Argentine prison, two men share a cell: Molina, a gay window dresser who is self-centered, self-denigrating, yet charming as well; and Valentin, an articulate, fiercely dogmatic revolutionary haunted by memories of a woman he left for the cause. Both are gradually transformed by their guarded but growing friendship and by Molina's obsession with the fantasy and romance of the movies.

Compiled together for the first time, here are three plays by Argentine novelist and playwright Manuel Puig: the well-known Kiss of the Spider Woman, a sharply provocative tale of love, victimization, and fantasy, and of the friendship that develops between two strikingly different men imprisoned together in a Latin American jail; Puig's first drama written directly for the stage, Under a Mantle of Stars, a recurring dream that is never ending; and Mystery of the Rose Bouquet, an astute tale of deep compassion and illusion. This is convincing proof that Manuel Puig was one of our most talented writers - no matter what the medium. Puig is the author of seven novels, translated into fourteen languages.

This is the first biography, now available in paperback, of Manuel Puig (1932–1990), Argentinian author of Kiss of the Spider Woman and pioneer of high camp. Suzanne Jill Levine, his principal English translator, draws upon years of friendship as well as copious research and interviews

Two prisoners, Luis Molina and Valentin Arregui, share a cell in a Buenos Aires prison. Molina is in jail for "corruption of a minor," while Valentin is a political prisoner who is part of a revolutionary group. The two men, opposites in every way, form an intimate bond in their cell, and their relationship changes both of them in profound ways.

Jasmine, a young widow in India, moves to the United States to begin a new life

Manuel Puig's 1976 *Kiss of the Spider Woman*, translated into English in 1979 and adapted as an Academy Award-winning film, expanded the idiom of the novel (mixing cinema, fiction, romance, and song) and challenged the third-person narration that was dominant in Latin American Boom fiction. Students are drawn to the conversational style of the novel and the melodramatic seductions of the tale, but they need guidance to appreciate the novel's richness as a work of literature. This volume of the MLA's *Approaches to Teaching* series suggests ways instructors can help students grasp the novel's exploration of state and sexual politics and discern the strategies of narration that underlie the conversations between the two main characters. In part 1, "Materials," the editors discuss versions and translations of the novel, provide readings and resources, give an overview of the historical and political background of 1970s Argentina, and outline the author's biography. The thirteen essays in part 2, "Approaches," written by distinguished scholars of Latin American literature, offer close textual analysis, examine the author's use of cinematic references, and present suggestions for teaching Héctor Babenco's film adaptation alongside the written text.

One of the New York Times Ten Best Books of the Year • A National Book Critics Circle Award Finalist • A New York Times Notable Book A timely exploration of what Shakespeare's plays reveal about our divided land. "In this sprightly and enthralling book . . . Shapiro amply demonstrates [that] for Americans the politics of Shakespeare are not confined to the public realm, but have enormous relevance in the sphere of private life." —The Guardian (London) The plays of William Shakespeare are rare common ground in the United States. For well over two centuries, Americans of all stripes—presidents and activists, soldiers and writers, conservatives and liberals alike—have turned to Shakespeare's works to explore the nation's fault lines. In a narrative arching from Revolutionary times to the present day, leading scholar James Shapiro traces the unparalleled role of Shakespeare's four-hundred-year-old tragedies and comedies in illuminating the many concerns on which American identity has turned. From Abraham Lincoln's and his assassin, John Wilkes Booth's, competing Shakespeare obsessions to the 2017 controversy over the staging of *Julius Caesar* in Central Park, in which a Trump-like leader is assassinated, *Shakespeare in a Divided America* reveals how no writer has been more embraced, more weaponized, or has shed more light on the hot-button issues in our history.

Manuel Puig's "dazzling and wholly original debut" (New York Times Book Review) is a startling anatomy of a small town in thrall to its own petty lusts, betrayals, scandals, thefts, and gossip—but most of all, to the movies. When it appeared in 1968, Manuel Puig's debut—a portrait of the artist as a child in small-town Argentina—was hailed as revolutionary. Borrowing from the language of "true romance" and movie magazines, the techniques of American modernism, and Hollywood montage, Puig created an exuberant queer aesthetic while also celebrating the secret lives of women. Hanging on the conversations of his mother, friends, and neighbors, Puig's stand-in Toto pieces together stories as full of passion, desire, and

revenge as anything dreamed up for the silver screen. "A screamingly funny book, with scenes of such utter bathos that only a student of final reels such as Puig could possibly have verbally recreated for us" (Alexander Coleman, New York Times), it is also a bittersweet love letter to the the golden age of Hollywood.

Characters: 15 male, 3 female Scenery: Interior Winner of multiple Tony Awards including Best Musical, Kiss of the Spider Woman revamps a harrowing tale of persecution into a dazzling spectacle that juxtaposes gritty realities with liberating fantasies. Cell mates in a Latin American prison, Valentin is a tough revolutionary undergoing torture and Molina is an unabashed homosexual serving eight years for deviant behavior. Molina shares his fantasies about an actress, Aurora (originated on Br
