For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Service procedures for lawn and garden tractors manufactured through 1990.

This revised 2nd edition emphasizes the biological aspects of wastewater treatment that are valuable to operators and technicians in understanding and regulating their treatment processes. Presents the description, ecology, and functions (both beneficial and detrimental) of organisms and microorganisms (the microlife) found in wastewater treatment processes. This volume of the Wastewater Biology series is valuable to wastewater professionals such as sanitary engineers, chemists, microbiologists, and educators. Generously illustrated with a minimum of technical jargon. Updates the original text; adds significantly to the chapters on the microscope, filamentous microorganisms, metazoa and photomicroscopy; and provides specific chapters on the microorganisms and the bacteria.

Deals with contemporary cultural and community topics with the help of engaging essays Provokes further thought through questions Includes writing activities based on the essays to help readers write in Spanish as they take a stand on an issue Contains a minimum of two readings in each chapter, each presenting different aspects of a particular debate on topics

"No More Growling" warms little hearts. It teaches children that in heaven the lion shall lie down with the lamb. And in heaven there shall be no more growling or snarling. All animals will live in peace.
